EUT View 5	
EUT View 6	

EUT View 7	 A black electronic component, possibly a connector or plug, is shown from a top-down perspective. It is positioned on a blue textured surface. A black ruler with white markings is placed horizontally below the component, showing measurements in millimeters. The component is roughly L-shaped, with a wider base and a narrower stem. The ruler markings range from 0 to 100 mm.
EUT View 8	 A black electronic component, similar to the one in View 7, is shown from a different angle. It is positioned on the same blue textured surface. A black ruler with white markings is placed horizontally below the component, showing measurements in millimeters. The component appears to have a different internal structure or a different part exposed. The ruler markings range from 0 to 100 mm.
