Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, identified as a Bluetooth antenna, resting on a blue textured surface. A black ruler with white markings is placed horizontally above the component, showing measurements in millimeters. The component has a gold-colored SMA connector on the left side. Various electronic components and markings are visible on the PCB, including a small black chip labeled 'DUC460' and '10DUC0460', and a label 'FR4 1.2mm REV:1'. The component is oriented vertically.
Antenna View	 A photograph of the same green PCB component, oriented horizontally, showing the antenna side. A red rectangular box highlights a specific area on the right side of the board, labeled 'Bluetooth Antenna' with a red line pointing to it. The component is placed on a blue textured surface. The SMA connector is visible on the right side.
