Gentlemen:

SJ Electro Systems, Inc. would like to request that all **schematic diagrams, block diagrams, and the operational description** submitted with the application for certification be withheld from public disclosure as per Section 0.459 of the FCC Rules.

This request is made under the provisions of Section 0.457 (d) of the Commission's Rules, and Section 552(b)(4) of the Freedom of Information Act. These sections authorize as a withholding from public inspection materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

If you have any questions or need any additional information, please give me a call at **218-846-3339 ext. 456**

Sincerely,

A handwritten signature in black ink, appearing to read 'Dan Muzzey', is written over the printed name.
