Solder Board-Component View 6	 A photograph of a green printed circuit board (PCB) component with various electronic components and solder joints. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). A red and black cable is connected to the component.
Antenna View	 A photograph of the same green PCB component, showing the antenna structure. A red box highlights the "Coil Antenna" structure, which is a circular coil of thin metal strips. A red line points from the text "Coil Antenna" to the highlighted area. The component is connected to a red and black cable.
