

### Sample of FCC ID Label

FCC ID: PQY-4710874201682

The device is so small that the Two-Part warning statement does not have to go on the device. It will be really hard to read. We remove the Two-Part statement from the device since we already have it in the manual.

**Model No.: OPM-302-E**

Model No.: OPM-602-E
