Subject: Compliance Statement in Users Manual

Dear Sirs,

We declare in the name of the applicant that the device with the above certification numbers will be integrated into Daimler Trucks. As it has no direct control elements or user interface, it will be only controlled through control elements of the truck. Therefore, the operation information will be included in the individual owner's manual of the truck. We hereby also assure that the following caution statements are included in a prominent location of the owner's manual of the trucks.

Under the title "CAUTION TO USERS" or "FCC/ISED WARNING", "NOTE" or relevant title, the following statements will appear:

"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

"This device complies with Industry Canada's licence-exempt RSSs and part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device."

"Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement."

The French statement is included in the relevant French owner's manual of the truck.

If you have any questions, please feel free to contact me.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Uwe Dollitz', is written over a light blue horizontal line.
