This equipment has been tested in accordance with the requirements in the appropriate Commission regulations. To the best of my knowledge, the test were performed using measurement procedures consistent with ANSI C63.4-1992 and demonstrate that the equipment complied with the FCC PART 15 standards. Each unit manufactured, imported within the variations that can be expected due to quantity production and testing on a statistical basis. I further certify that the necessary measurements were made by Training Research Co. Ltd.
