Model Confirmation Letter

We, Shen Zhen Shi Zhi Hui Duo Ke Ji You Xian Gong Si. (Company name)certify the product:
LED Floodlight

And models:LAW25E, LAW10E. The main test model: LAW25E

Their electrical circuit design, layout, components used and internal wiring are identical, all use the same linear constant current IC, the same auxiliary power supply, the same Wi-Fi module and the same antenna. The only difference is the difference in the number of linear ICs and LED chips. The greater the power, the more ICs and LED chips used, and the larger the size of the aluminum substrate is different.
