

EXHIBIT 12

Radiofrequency Radiation Exposure **SECTION 2.1091**

EXHIBIT 12

Section 2.1091

In accordance with the FCC rules concerning radio frequency radiation exposure for mobile devices under section 2.1091(c) the Lucent Technologies **WaveACCESS NET (CU232)** Control Unit is categorically excluded from routine environmental evaluation prior to authorization or use.

The CU232 meets the MPE requirements in section 1.1310, Table 1B for General Population/Uncontrolled Exposure.
