EUT View 5	 A top-down view of a white, elongated remote control. The remote has a series of buttons at the top, including a circular cluster of five buttons and a row of four rectangular buttons. Below the buttons is a small, dark, rectangular sensor. The remote is placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the remote, showing measurements in centimeters.
EUT View 6	 A side view of the same white remote control, showing its profile. The remote is slightly curved. The buttons and sensor are visible on the top surface. It is placed on the same blue textured surface. A black ruler with white markings is positioned horizontally below the remote, showing measurements in centimeters.
