

Pictures of MAN:

Model 1: Communication-Module 4 MID 0101 EU/RoW

Model 2: Communication-Module 4 MID 0101 NA

Front view	 A black rectangular component is shown from the front. It has a smooth surface with two small circular features on the left side and two on the right side. A yellow ruler is placed horizontally below the component, and another yellow ruler is placed vertically to the right of the component.
Rear view	 The rear view of the component shows its internal structure. It features a large rectangular opening on the left side, a central rectangular opening, and a circular opening on the right side. A yellow ruler is placed horizontally below the component, and another yellow ruler is placed vertically to the right of the component.
Right view	 The right view of the component shows its internal structure. It features a large rectangular opening on the left side, a central rectangular opening, and a circular opening on the right side. A yellow ruler is placed horizontally below the component, and another yellow ruler is placed vertically to the right of the component.
