Section 2.911(d)(7) USA Agent for Service of Process

Product Name: GMRS Repeater
FCC ID: 2AGNDGMRSRPT50

2.911(d)(7) USA Designated Agent for Service of Process

We, BTECH (BaoFeng Tech) ("the applicant") designate BTECH (BaoFeng Tech)[NOTE1] for the purpose of accepting service of process on behalf of the applicant.

Applicant consent: We Acknowledge our consent to accept service of process in the United States for matters related to the applicable equipment, and at the physical U.S. address and email address of the designated agent and acknowledge our acceptance of our obligation to maintain an agent for service of process in the United States for no less than one year after either the grantee has permanently terminated all marketing and importation of the applicable equipment within the U.S., or the conclusion of any Commission-related administrative or judicial proceeding involving the equipment, whichever is later.

Agent obligation: We Acknowledge our obligation to accept service of process in the United States for matters related to the applicable equipment at our physical U.S. address and email address for no less than one year after either the grantee has permanently terminated all marketing and importation of the applicable equipment within the U.S., or the conclusion of any Commission-related administrative or judicial proceeding involving the equipment, whichever is later.
