

Difference Declaration

Model No. : LIVE BUDS 3

To whom it may concern,

We, Harman International Industries, Inc would like to declare the left earbud and right earbud for model LIVE BUDS 3 are identical in electrical circuit design and use the same Bluetooth Chip. The only difference is PCB layout.

The earbuds have two versions which are identical in electrical circuit design and PCB layout except the electrical circuit design and PCB layout of Sensor IC part.

Sincerely yours,
