

EUT 1  
Model Name: AP410i

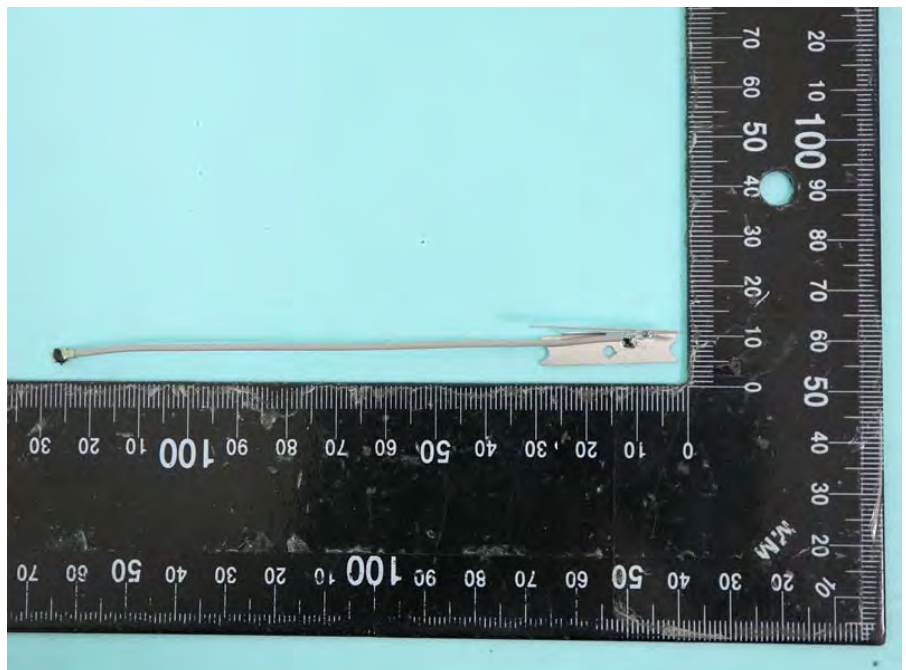

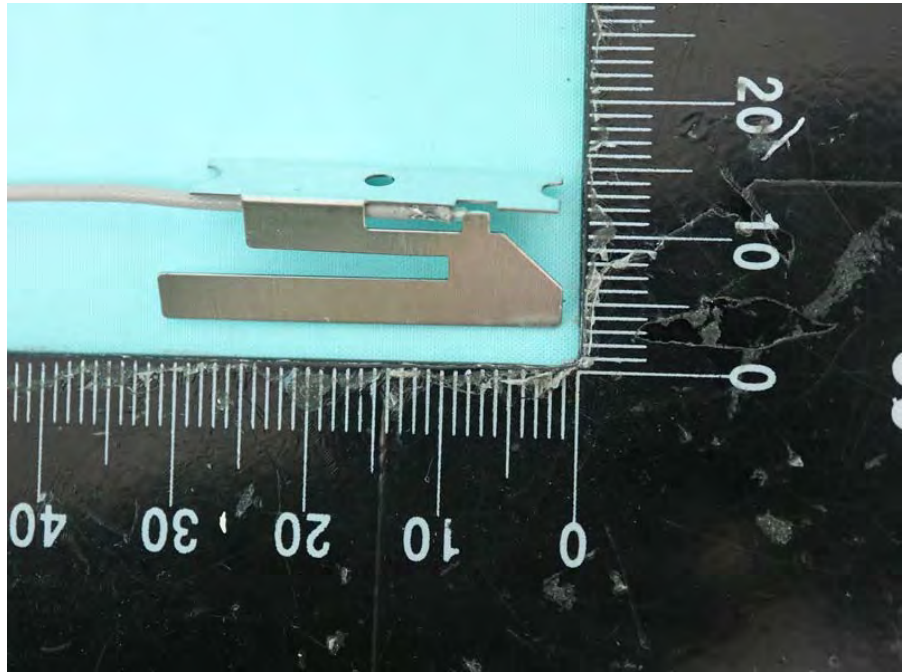

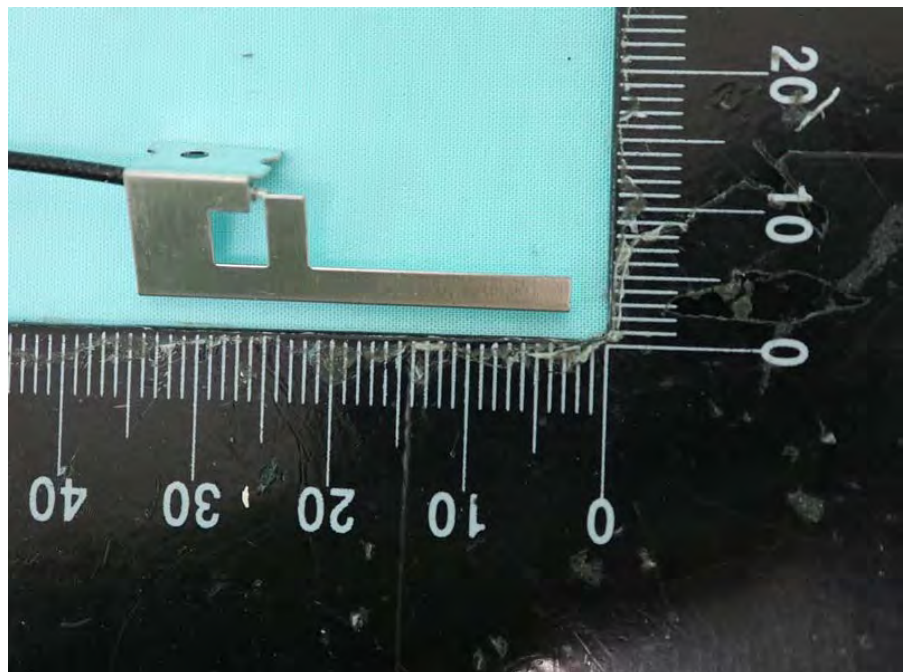

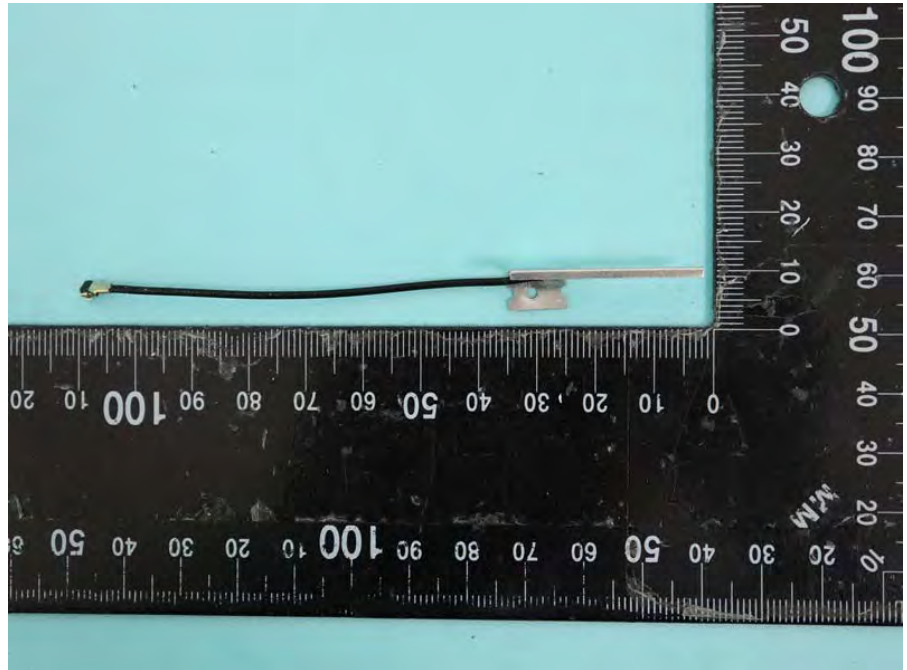

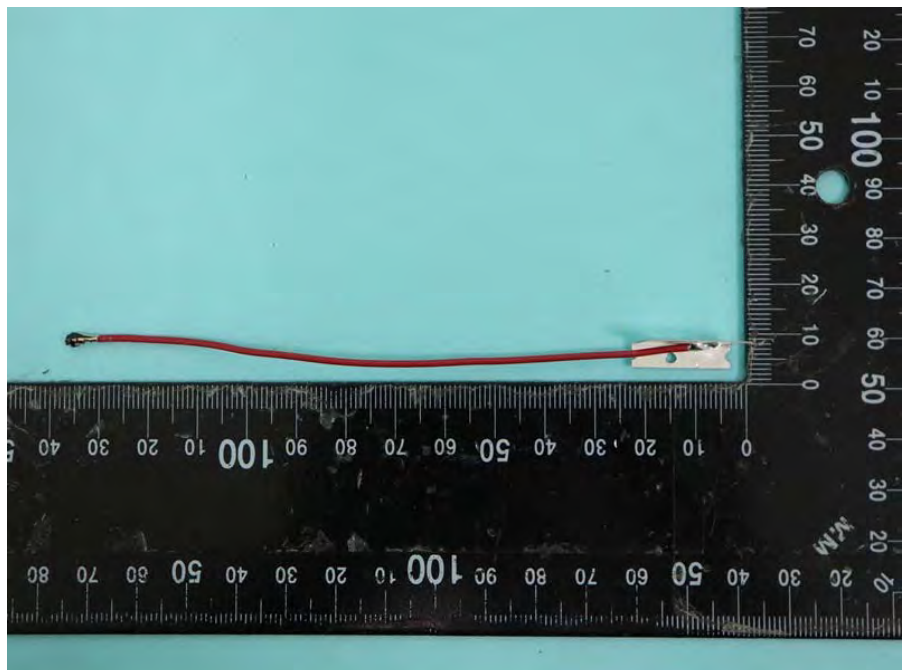

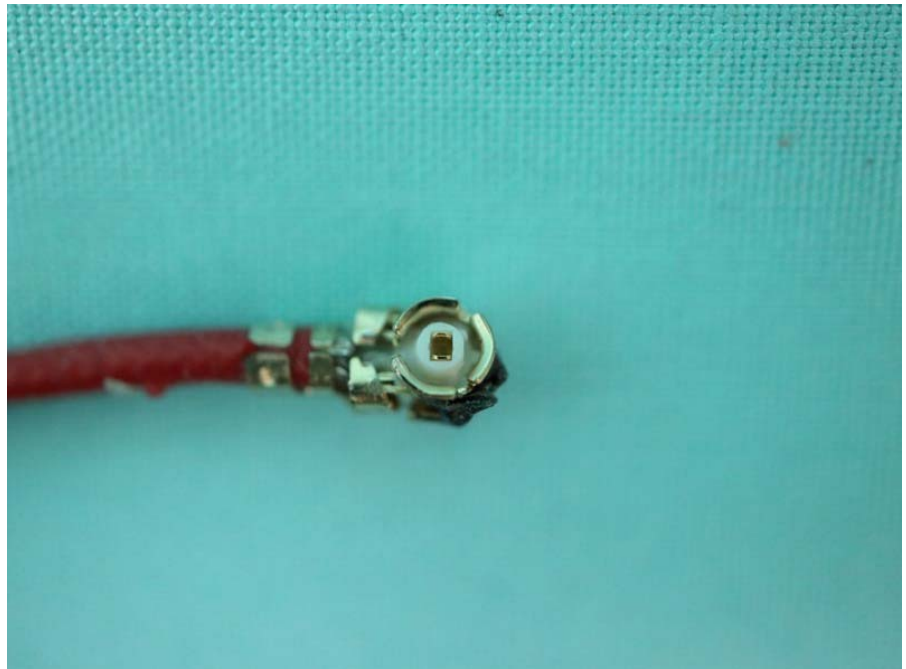

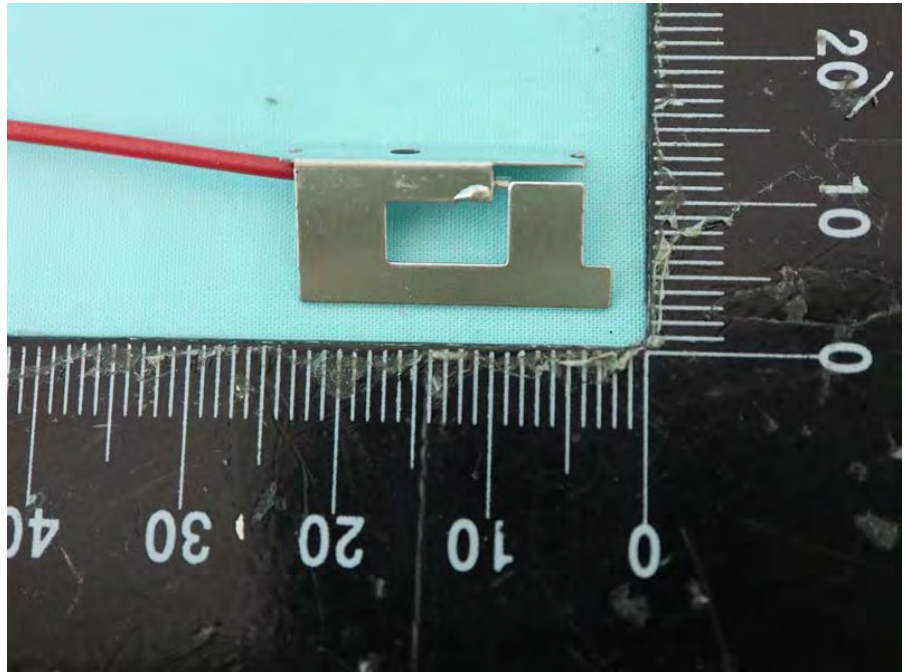

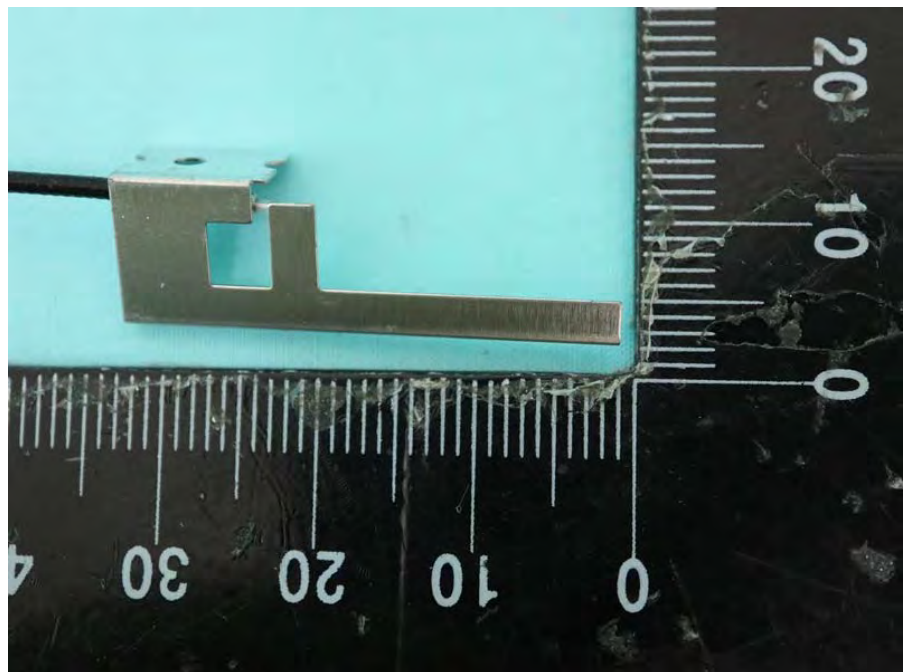

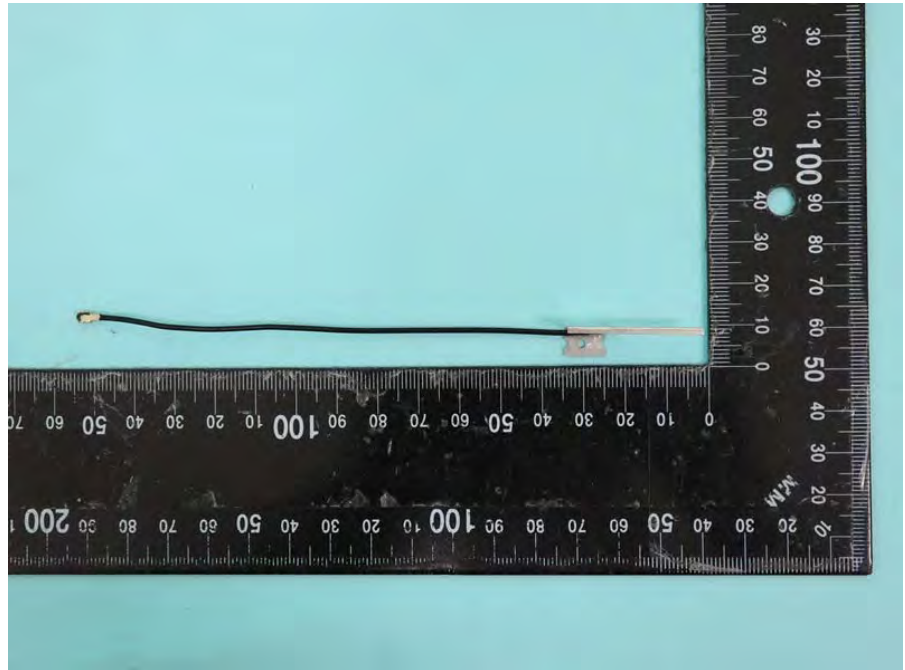

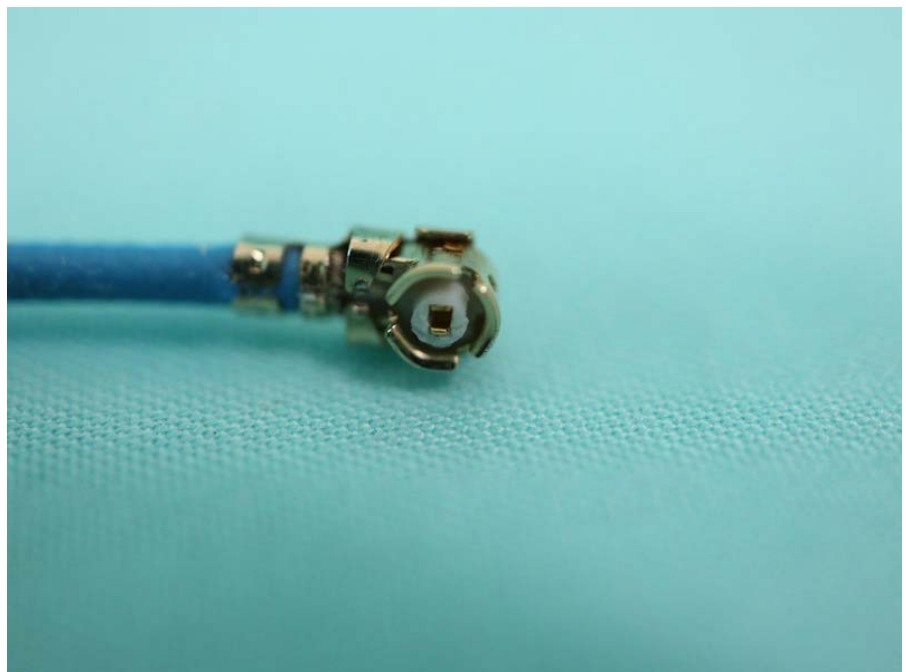

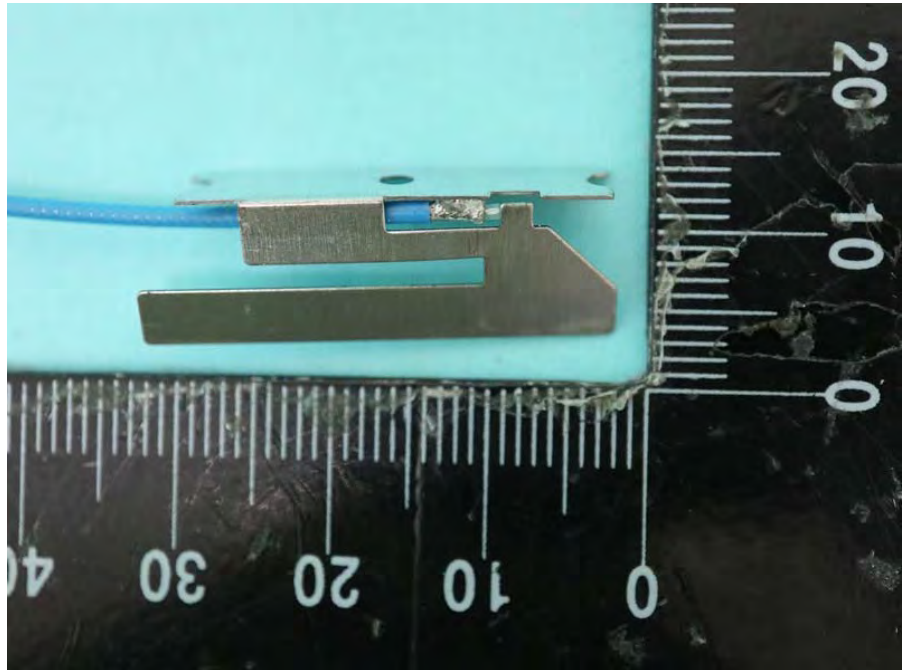

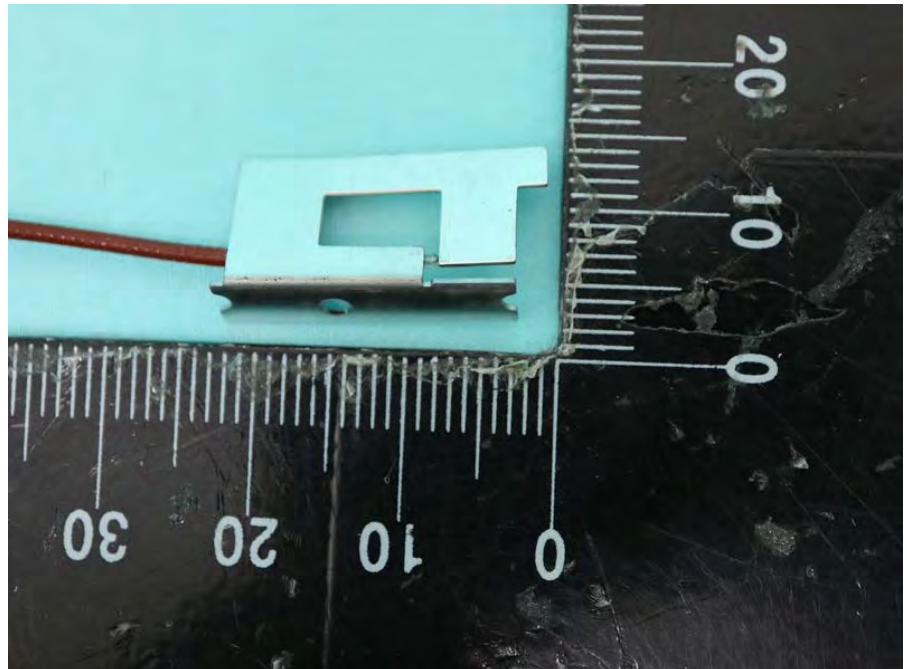

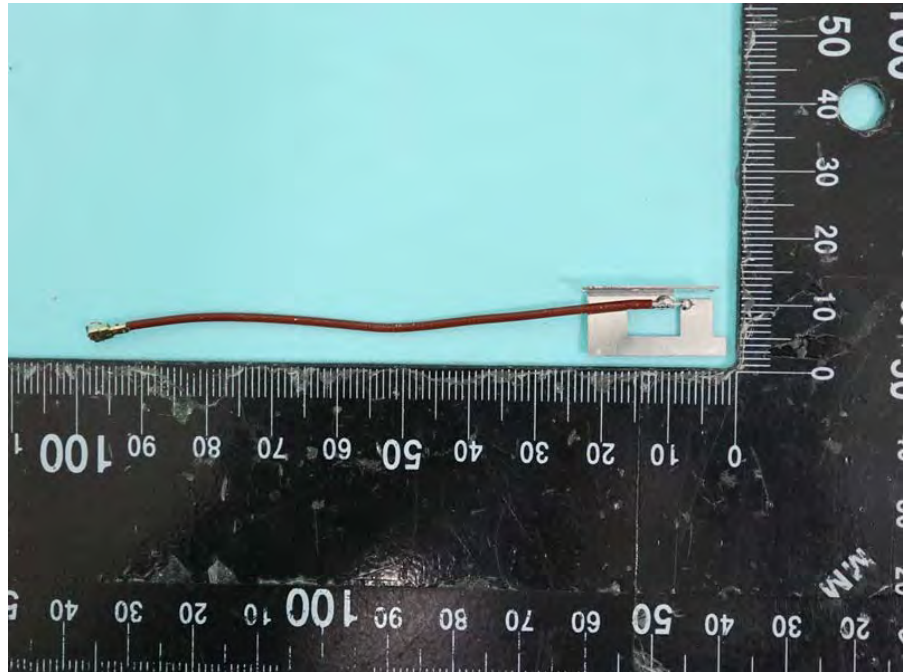

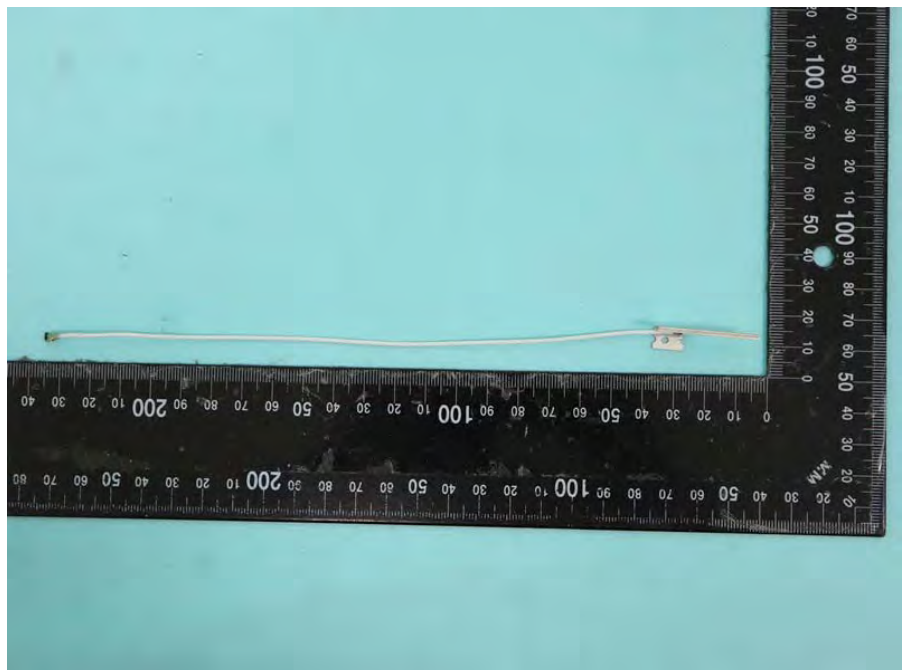

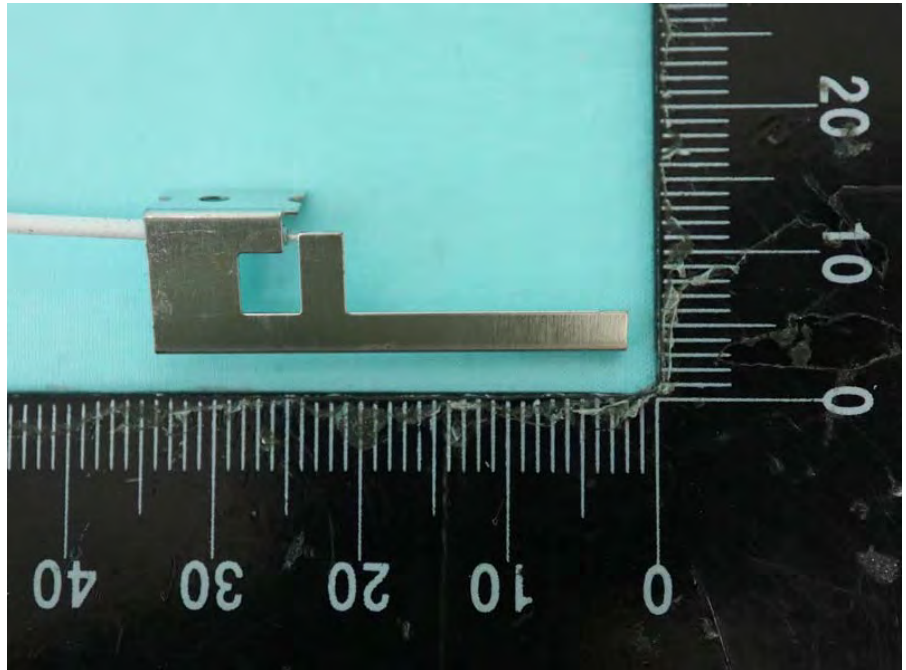

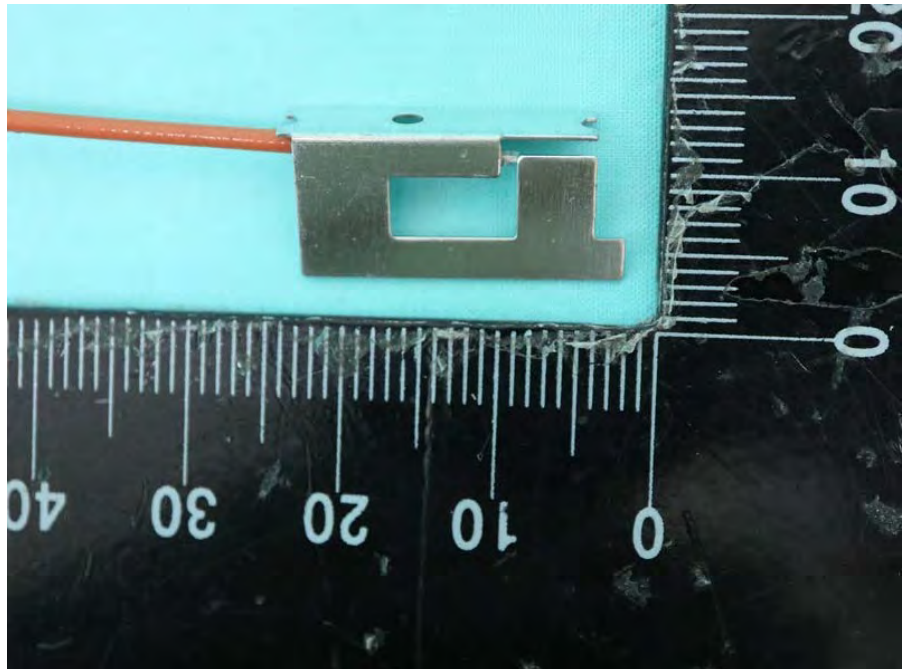

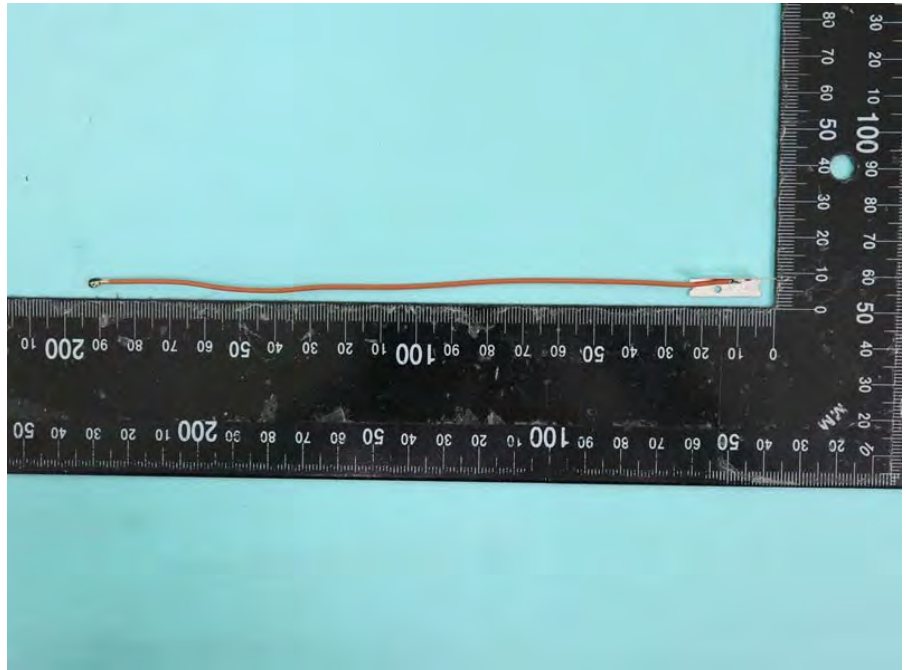

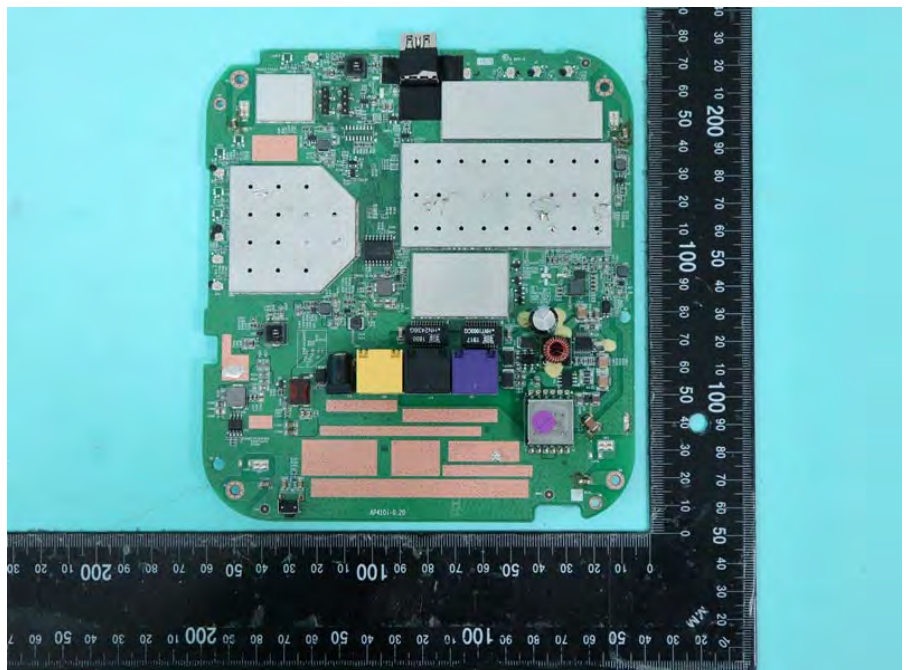

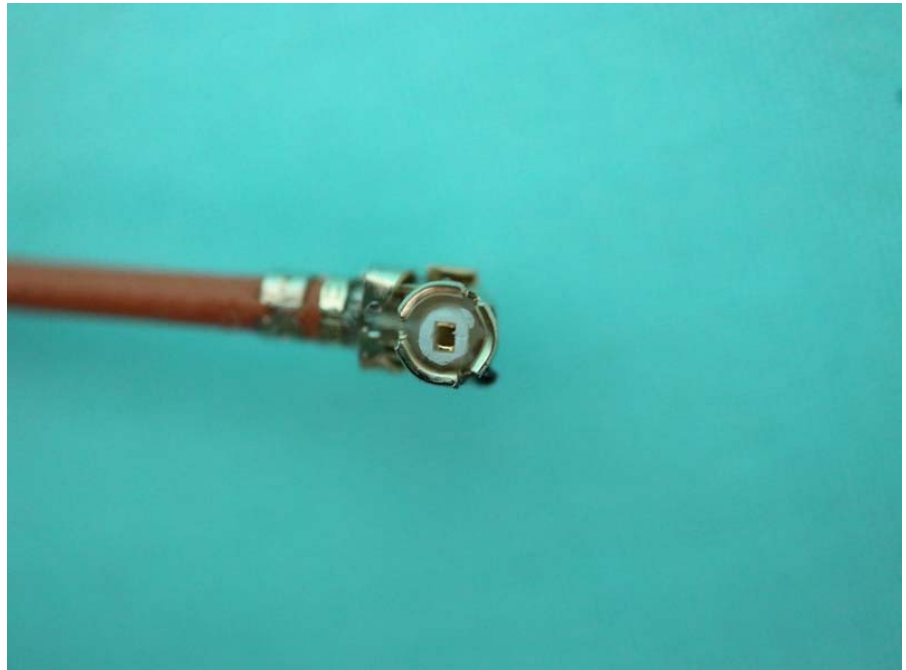

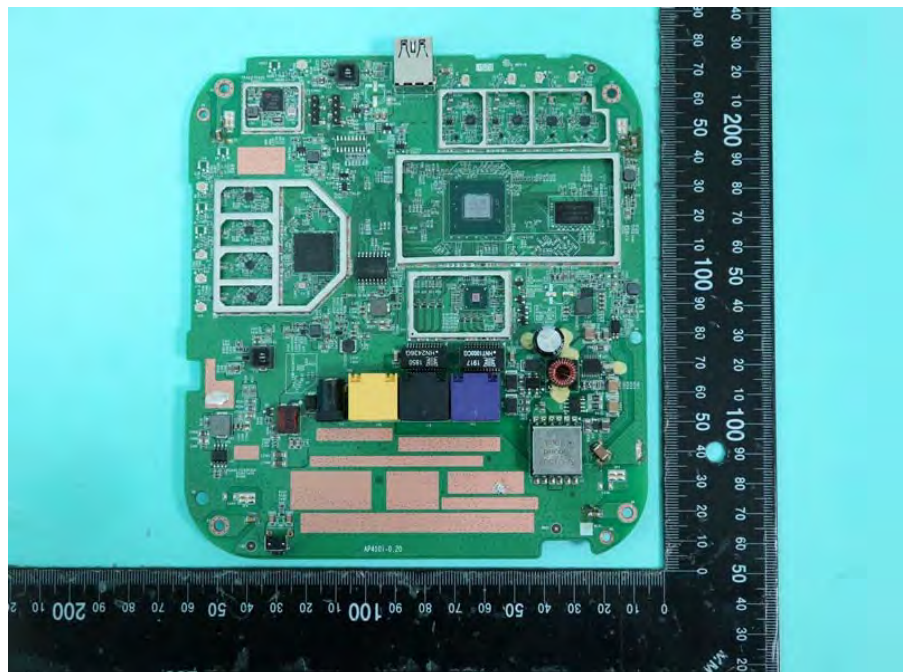

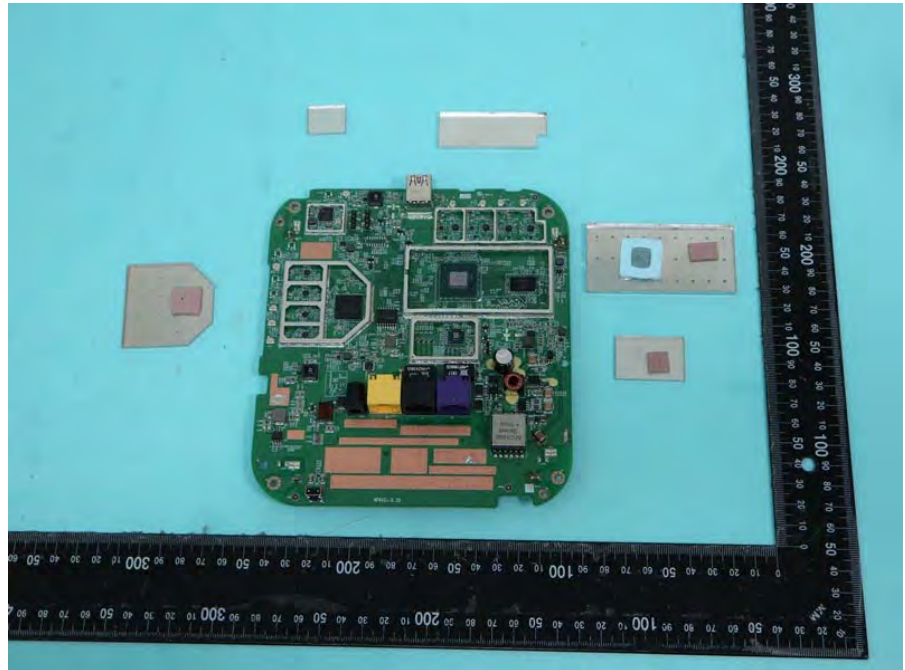

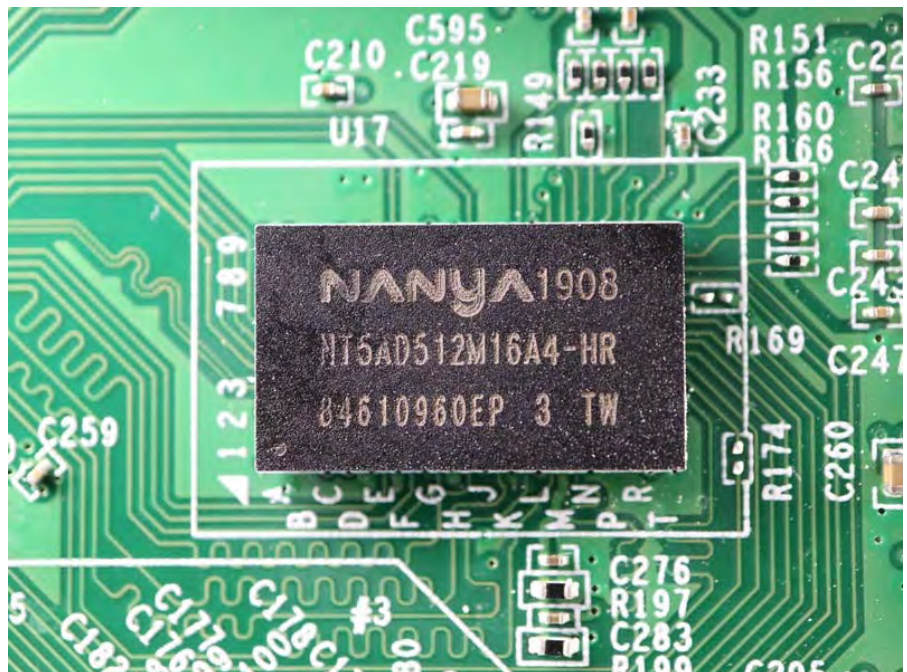

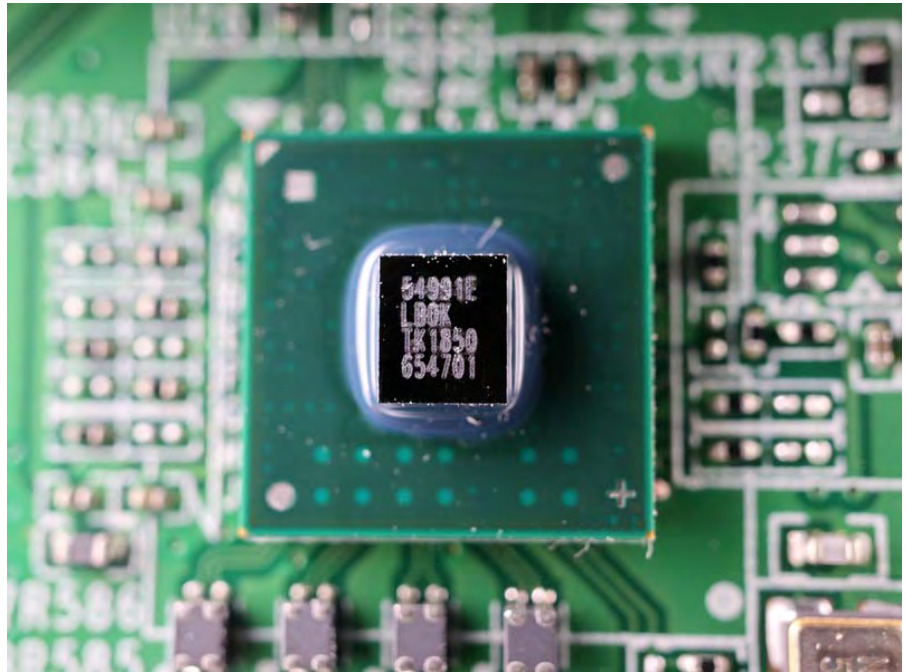

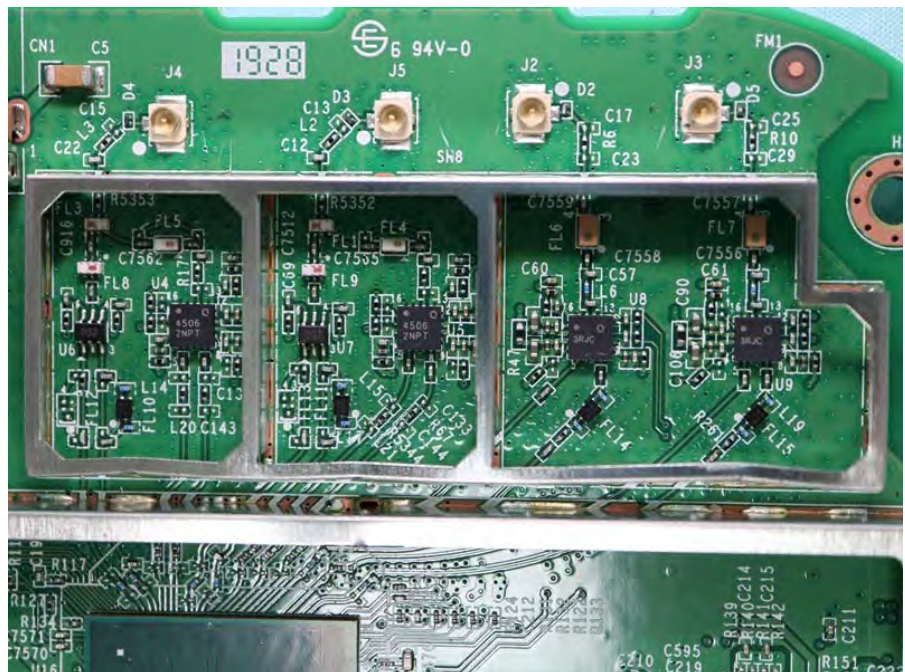

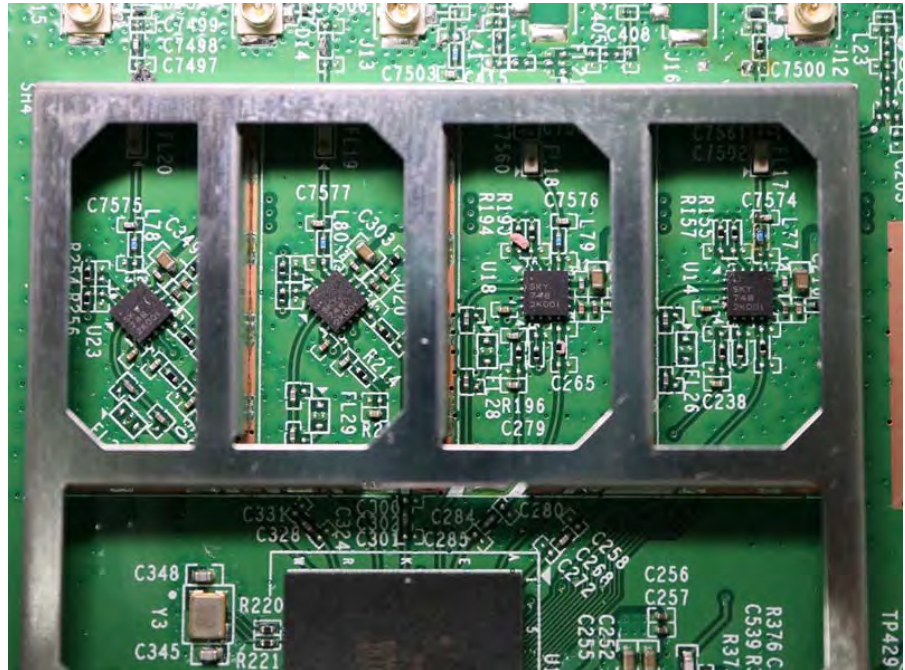

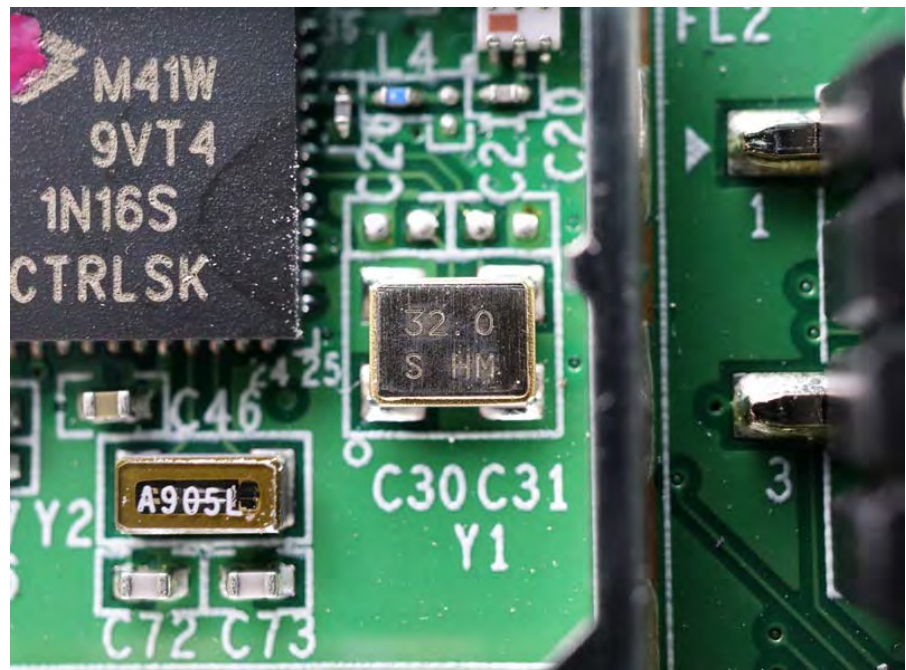

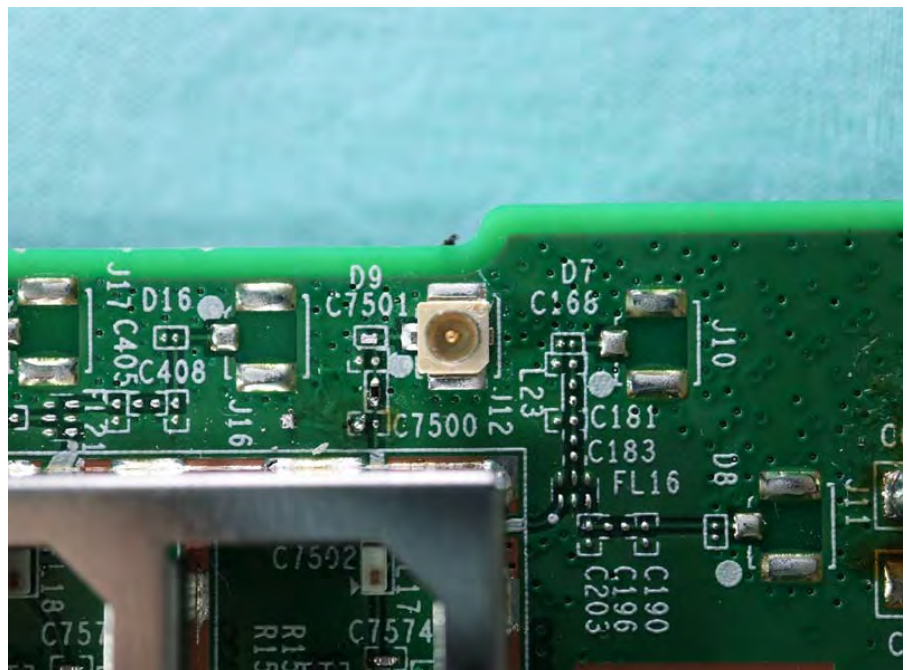

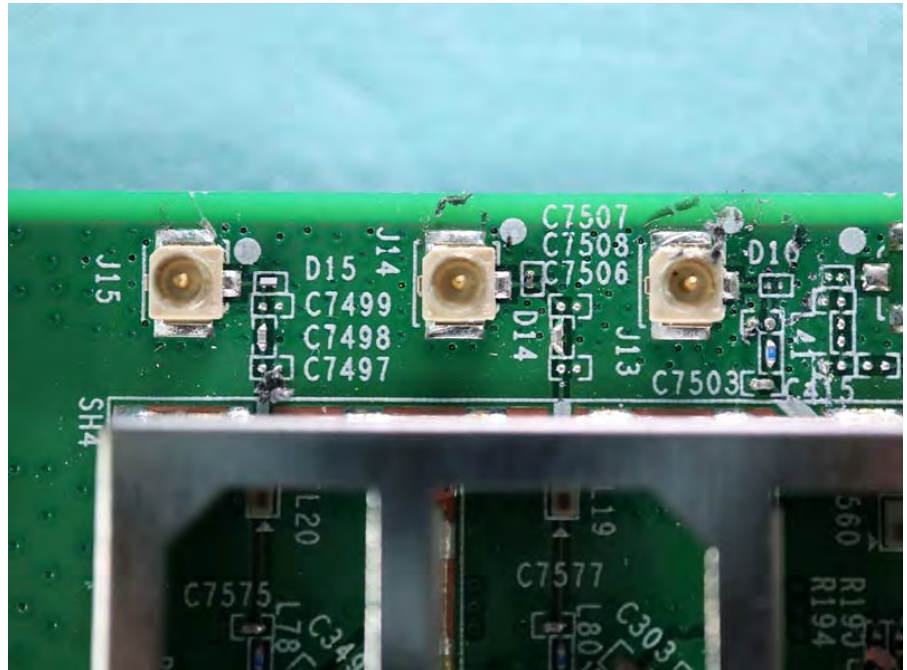

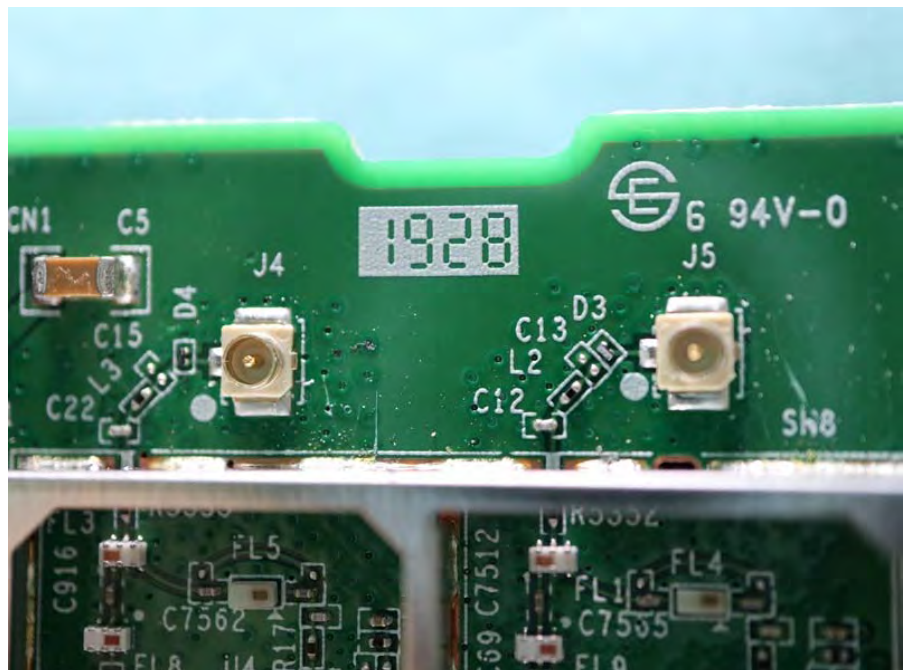

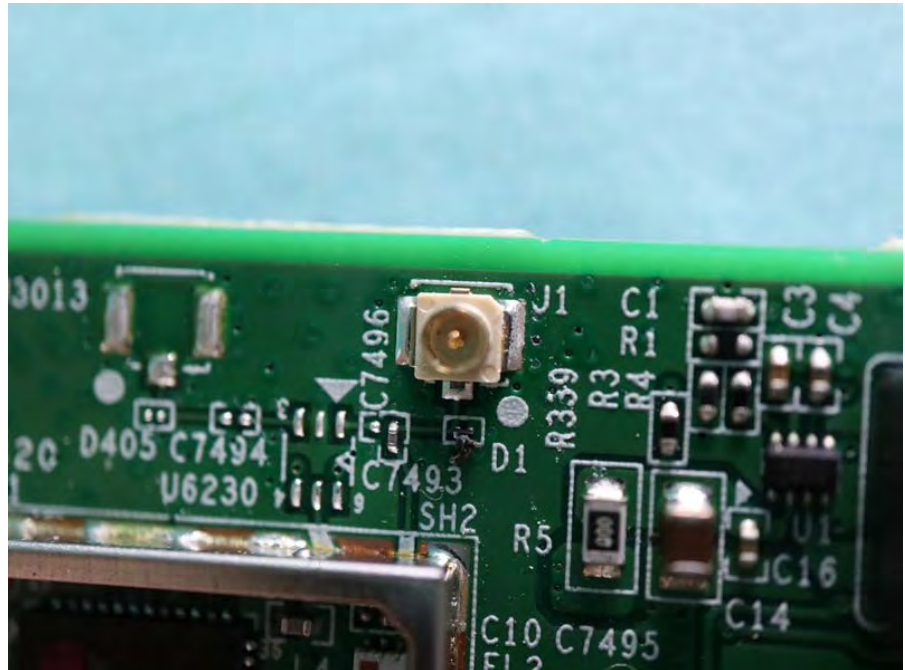

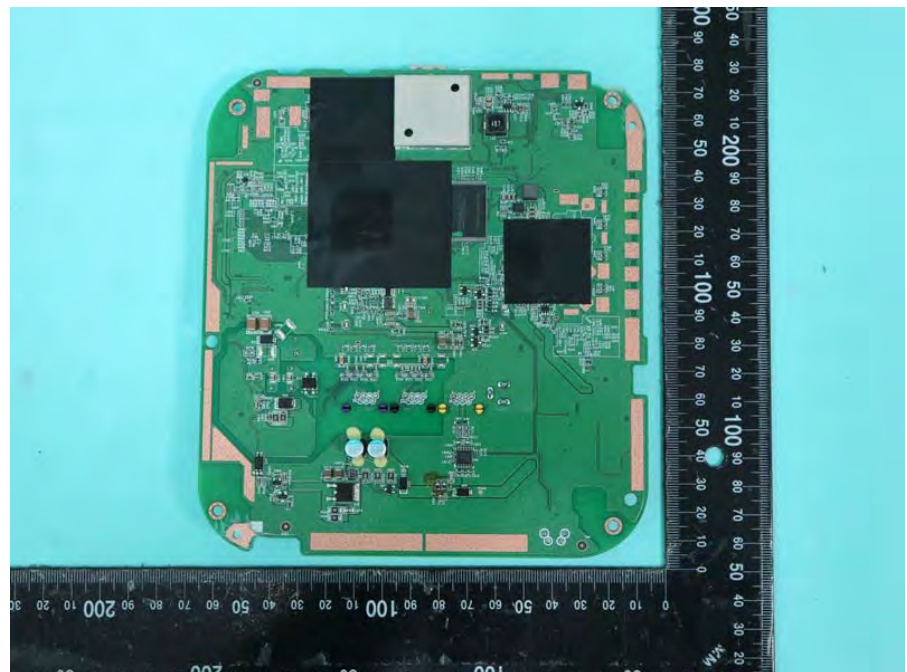

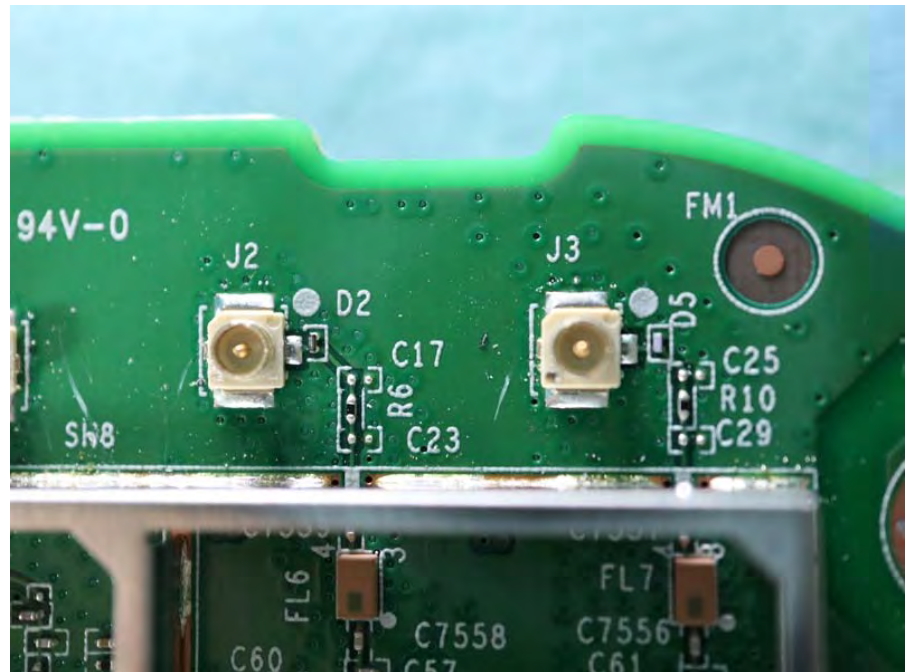

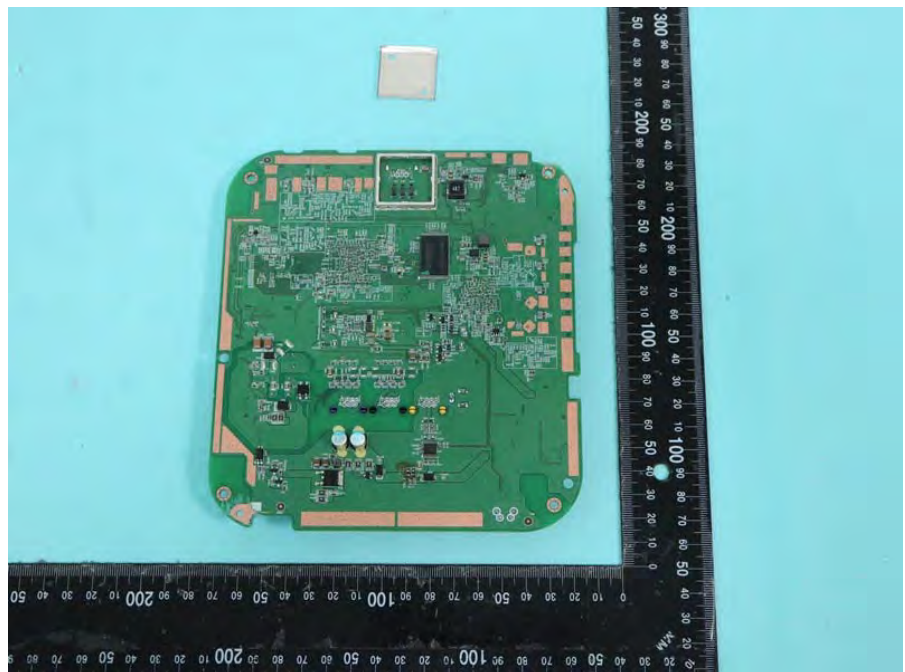

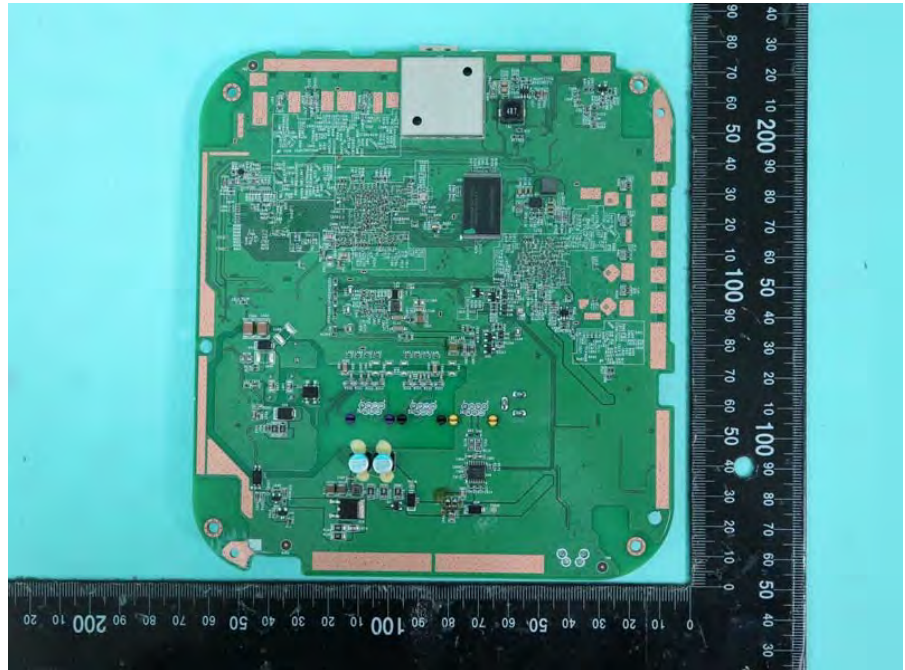

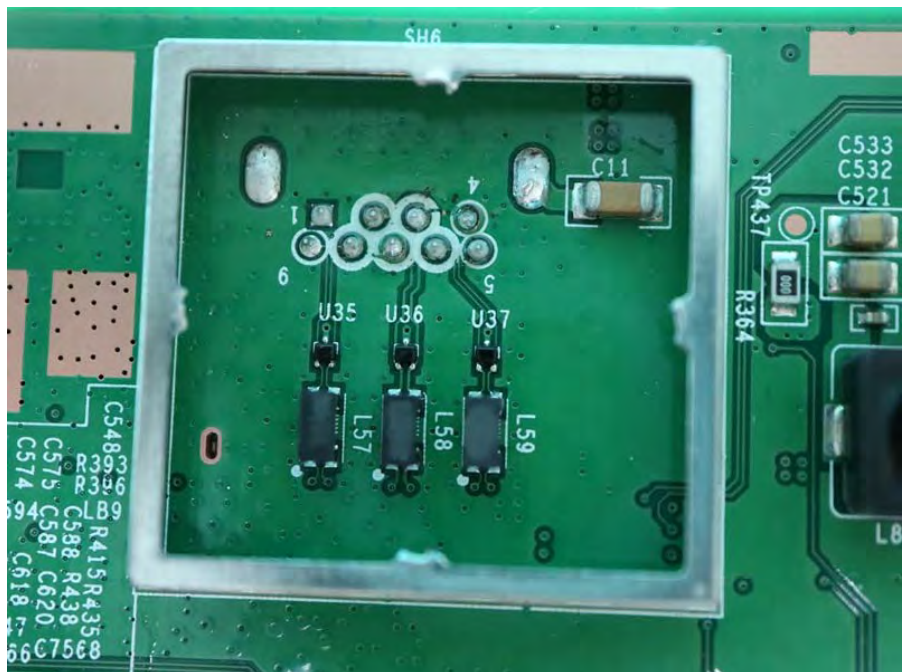

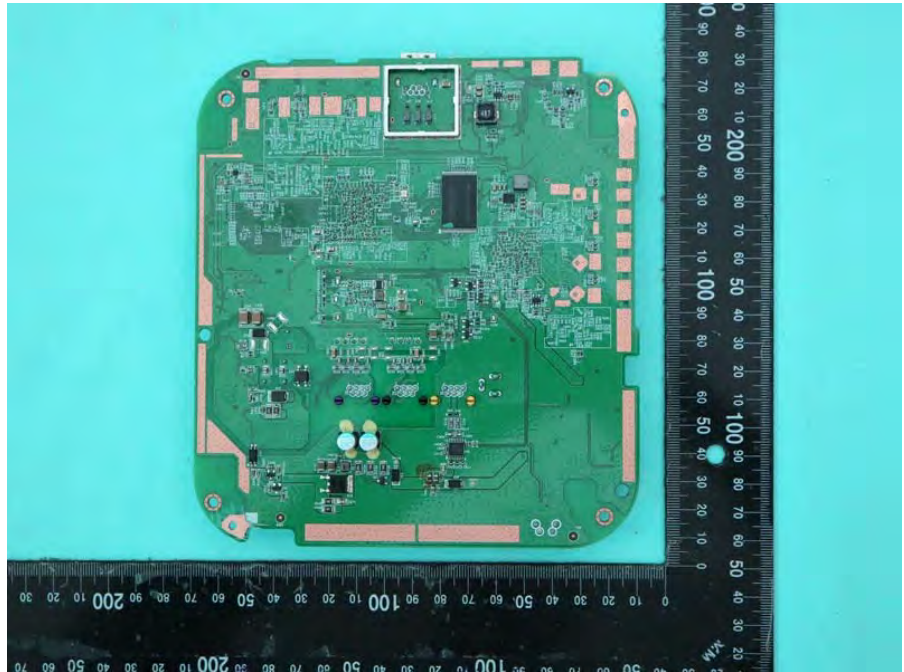

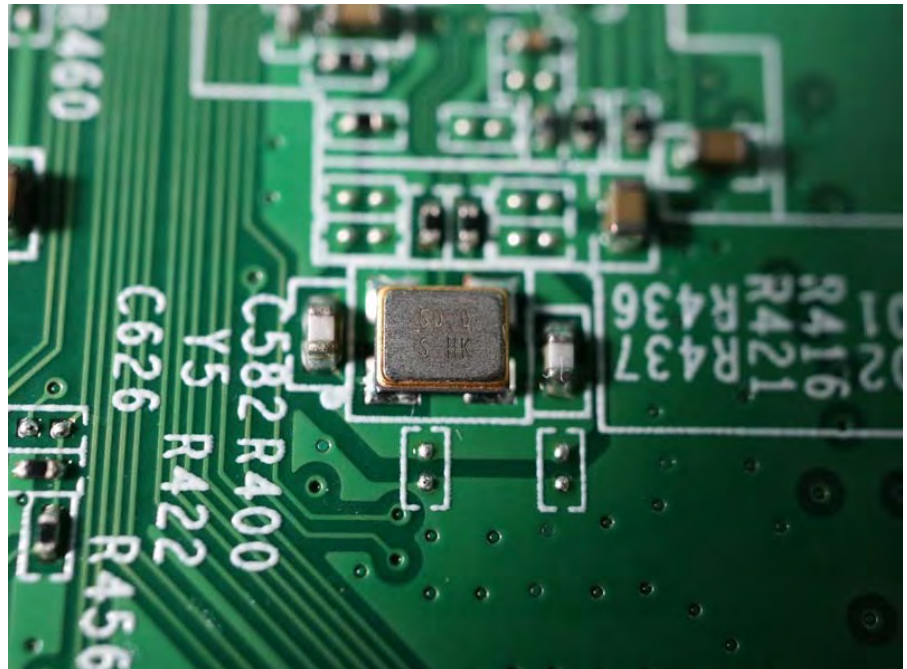

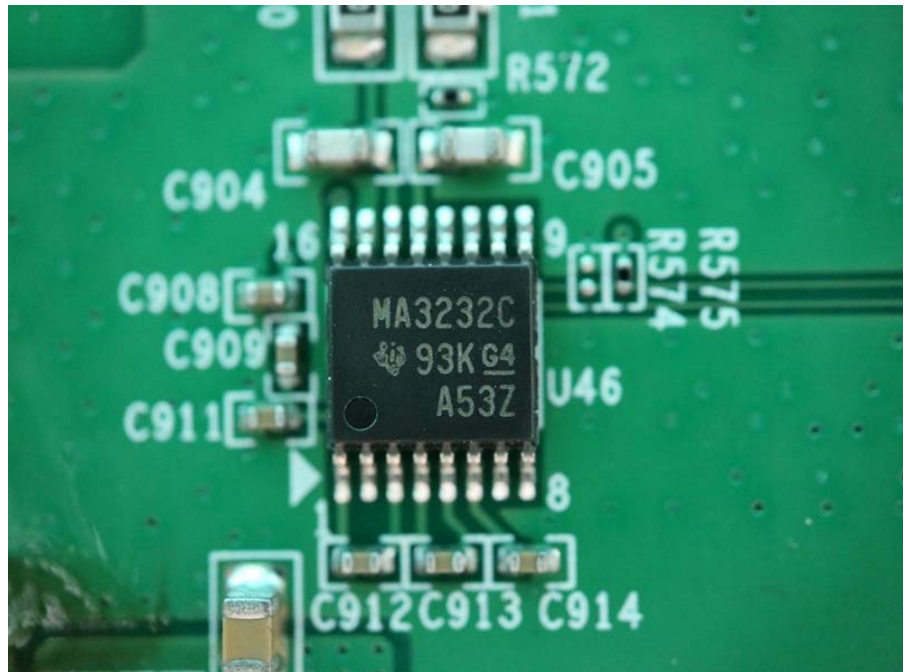

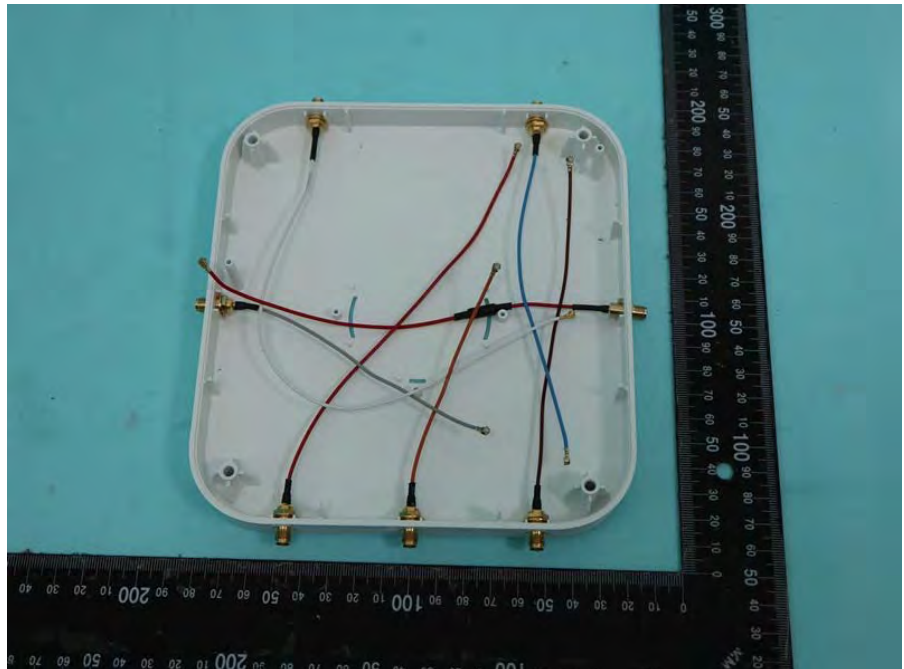

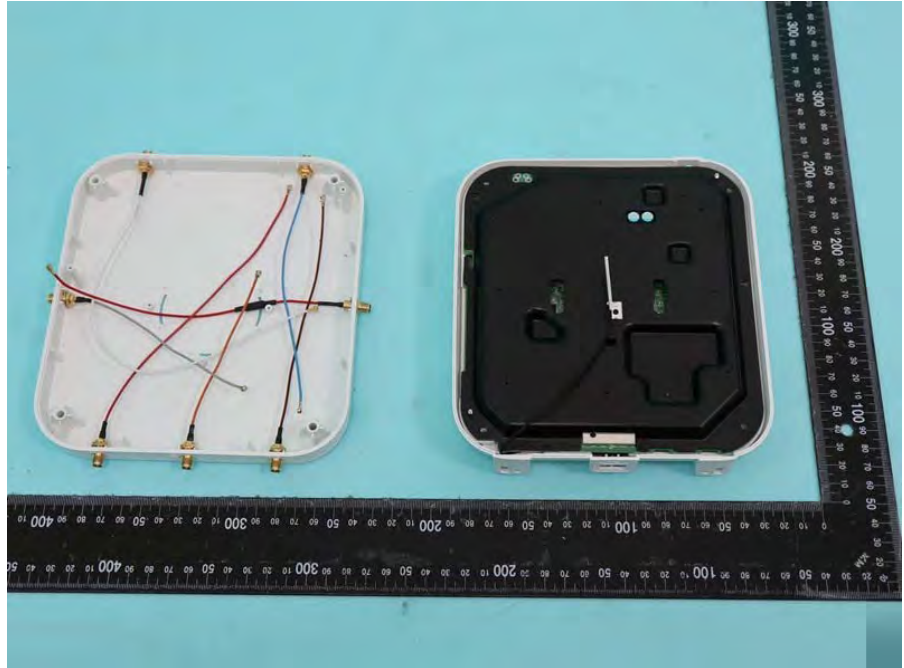

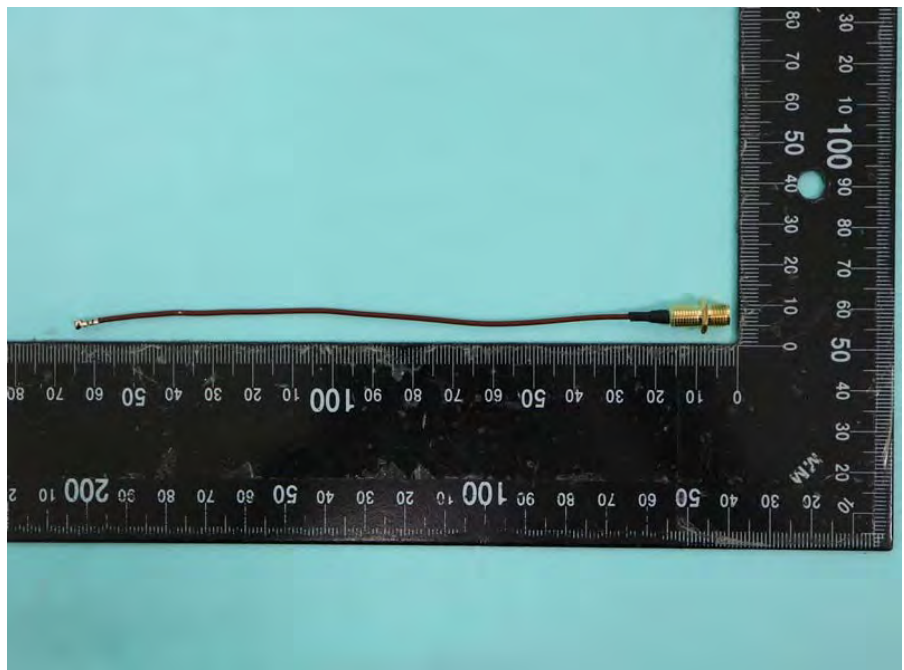

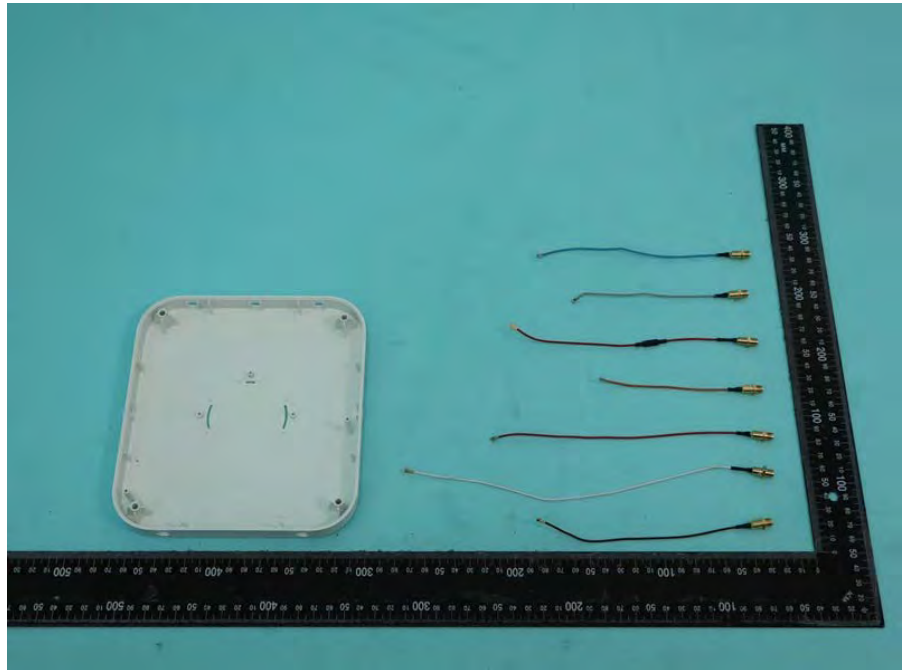

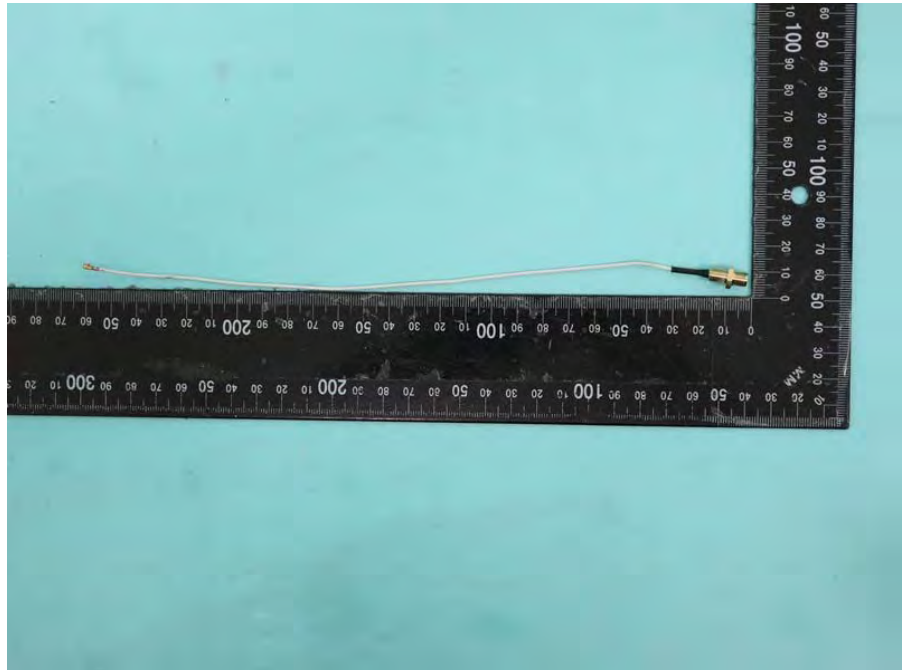

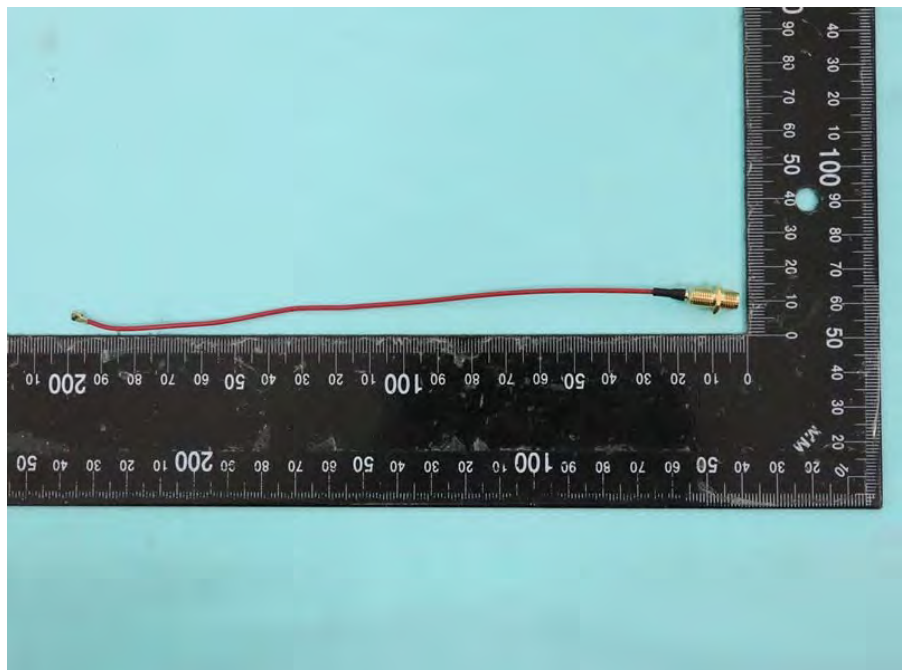

EUT 2  
Model Name: AP410e

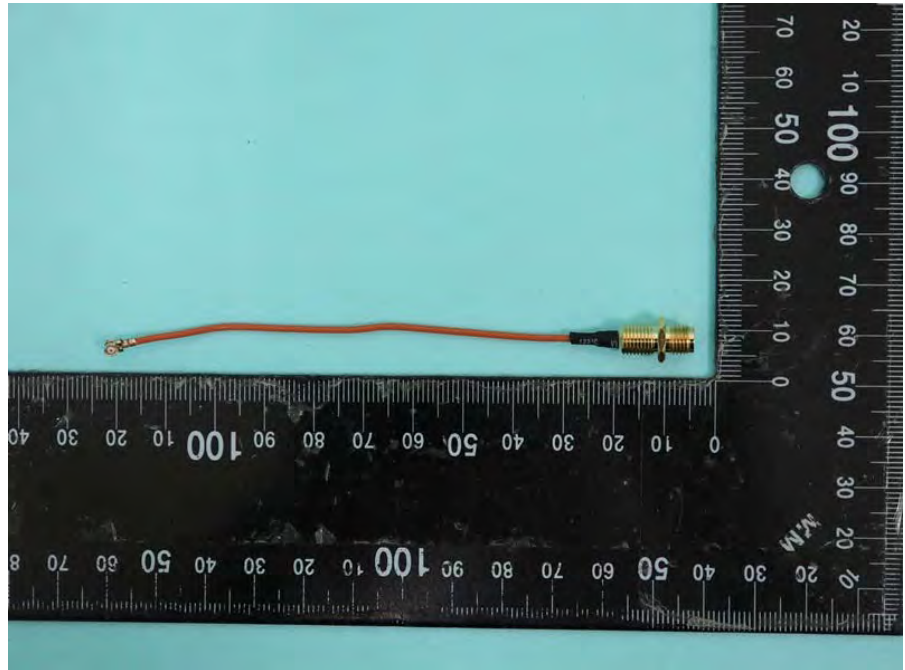

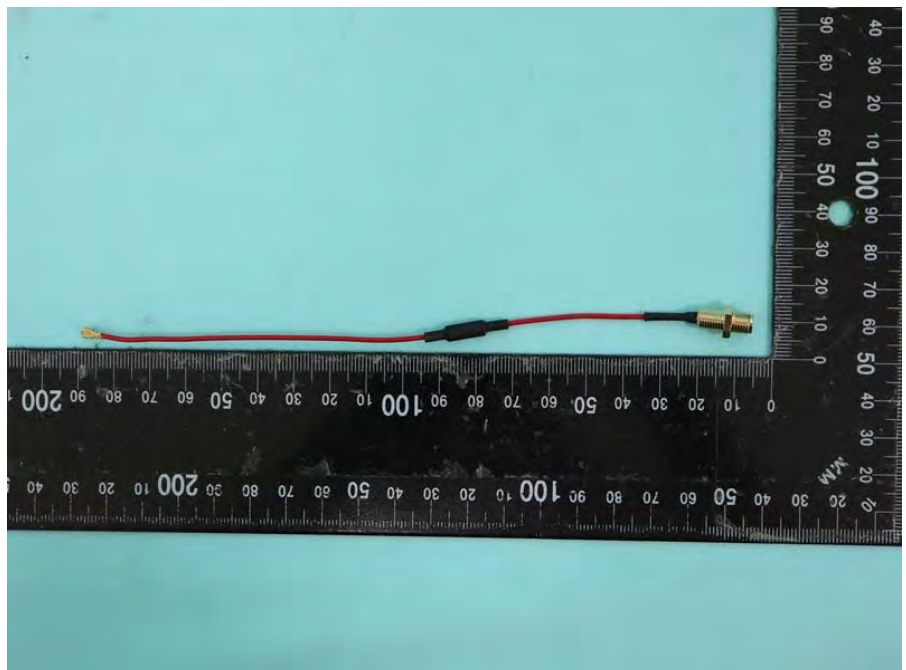

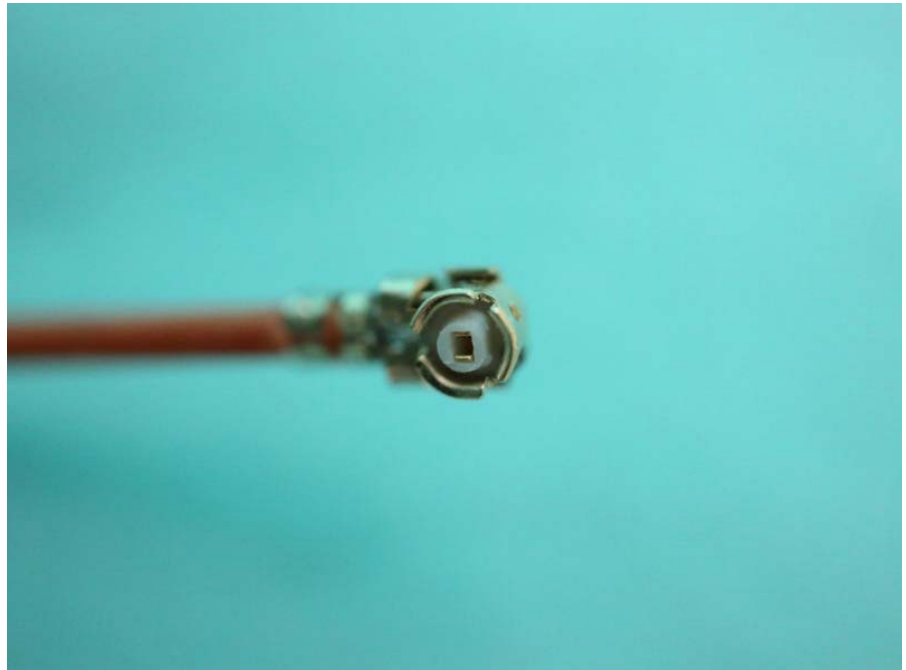

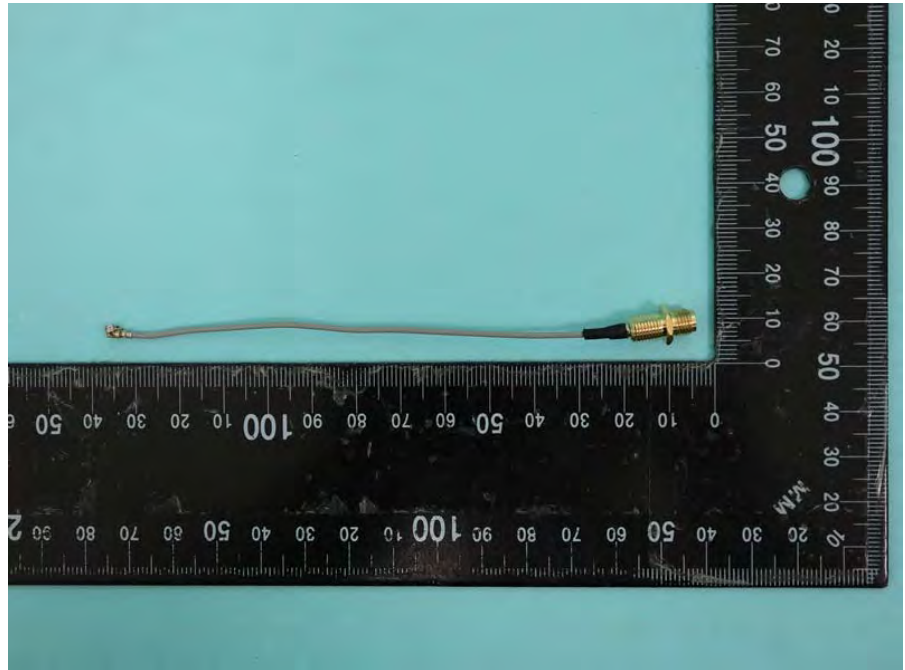

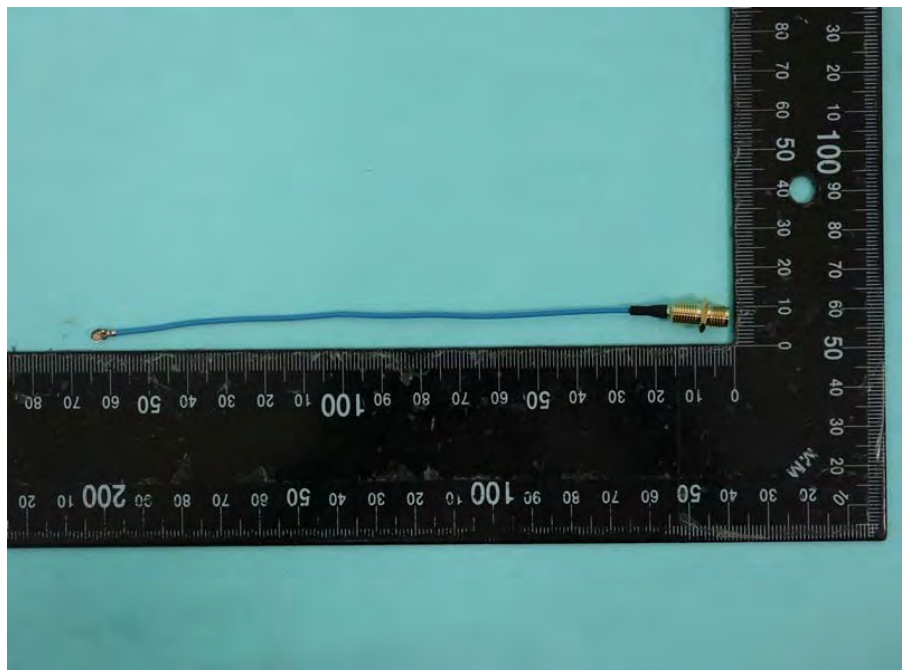

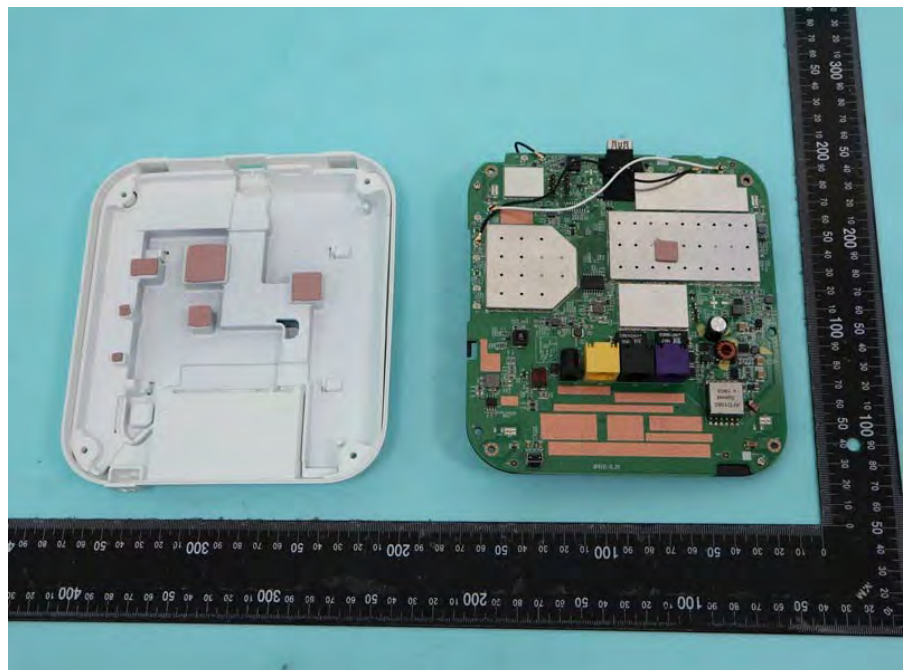

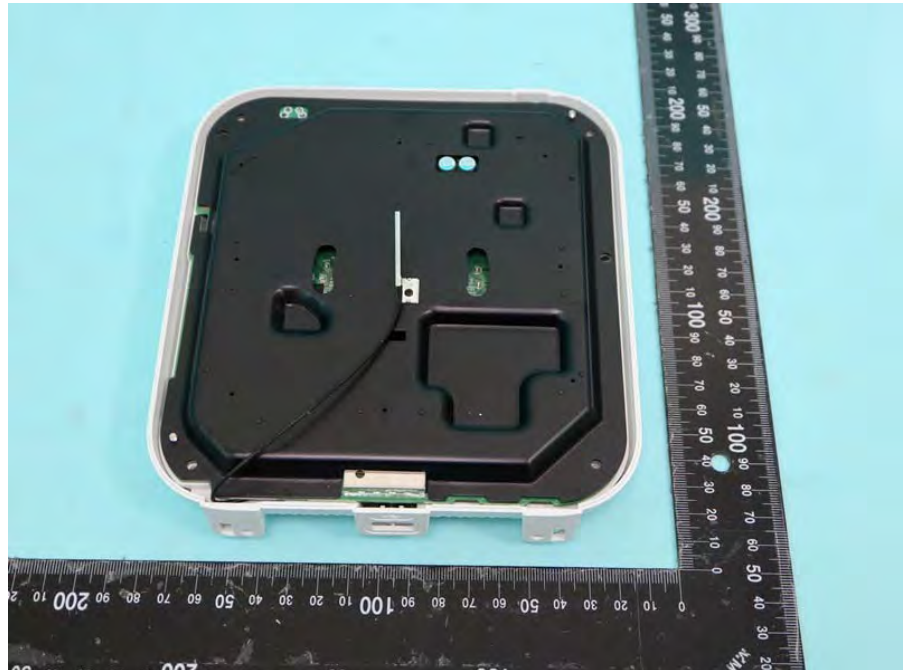

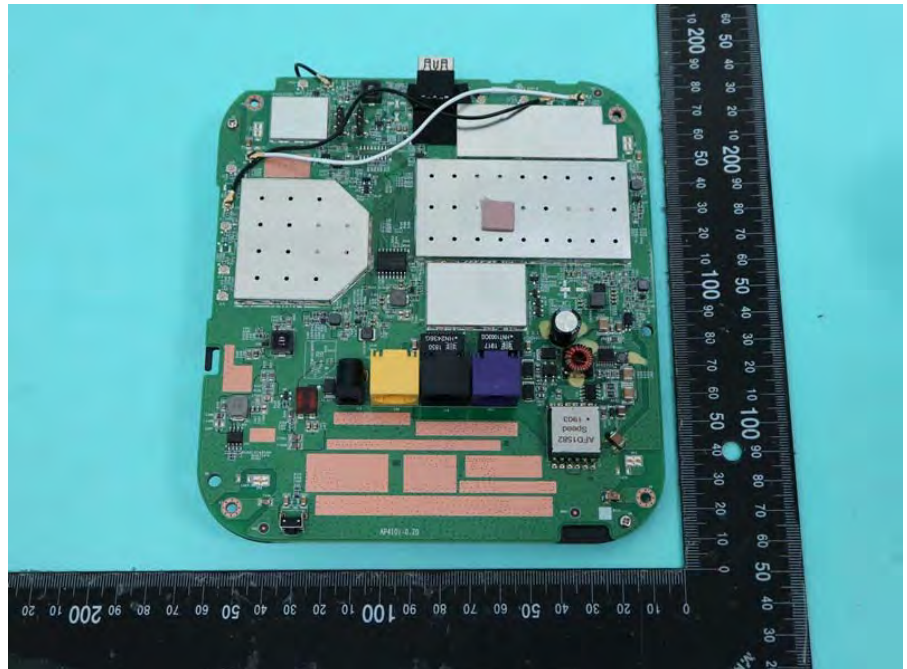

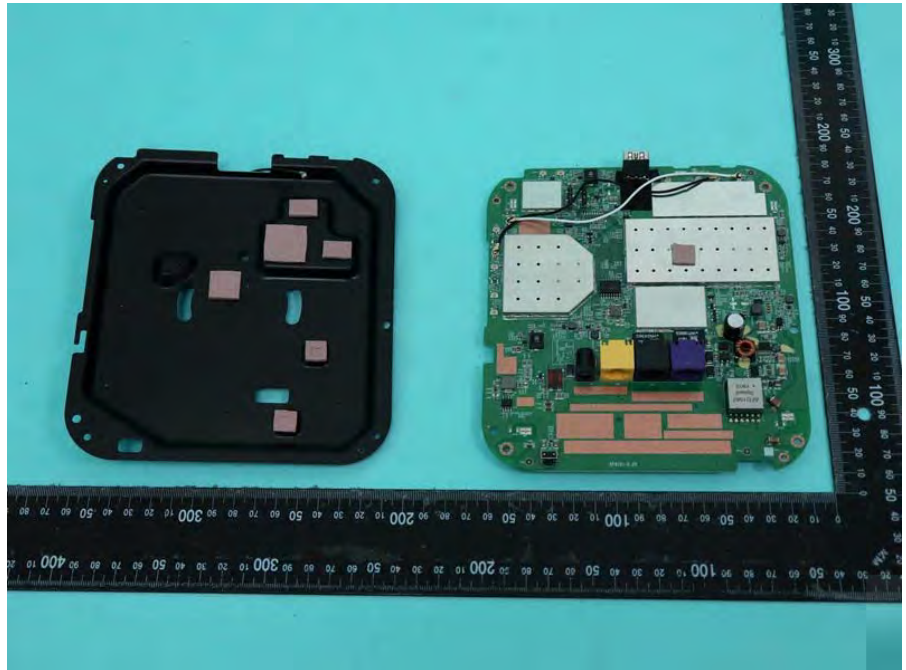

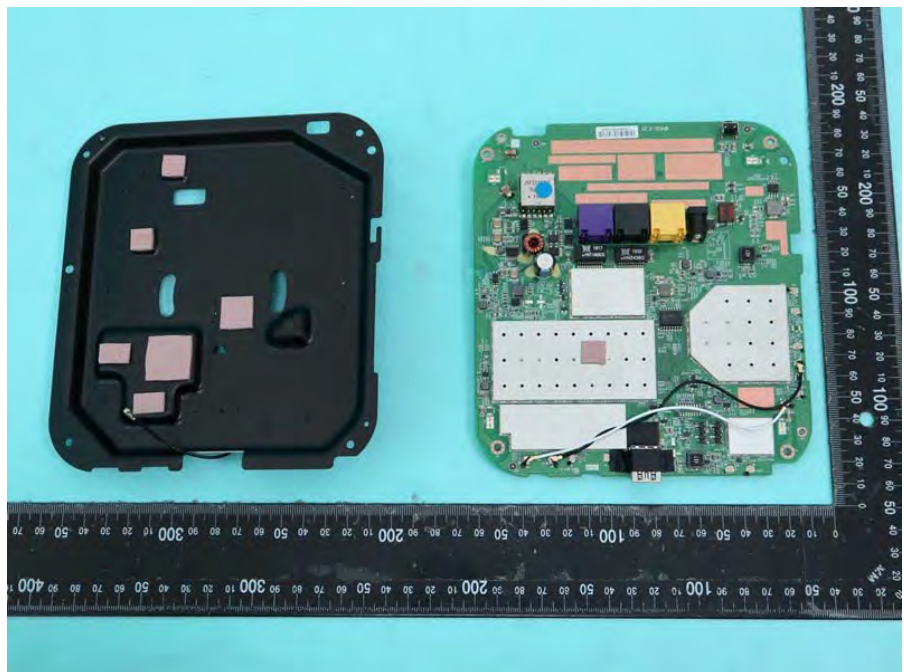

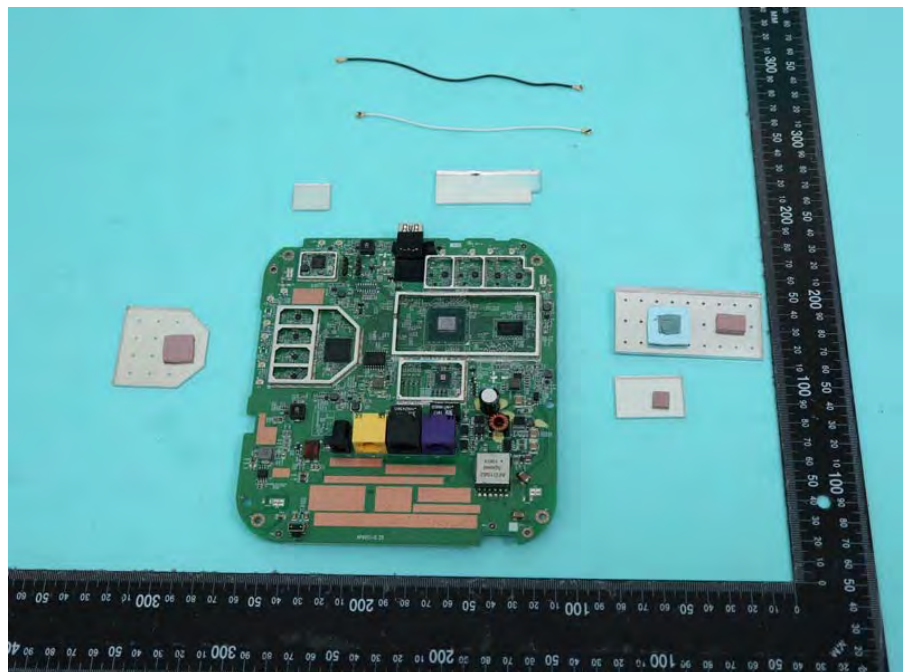

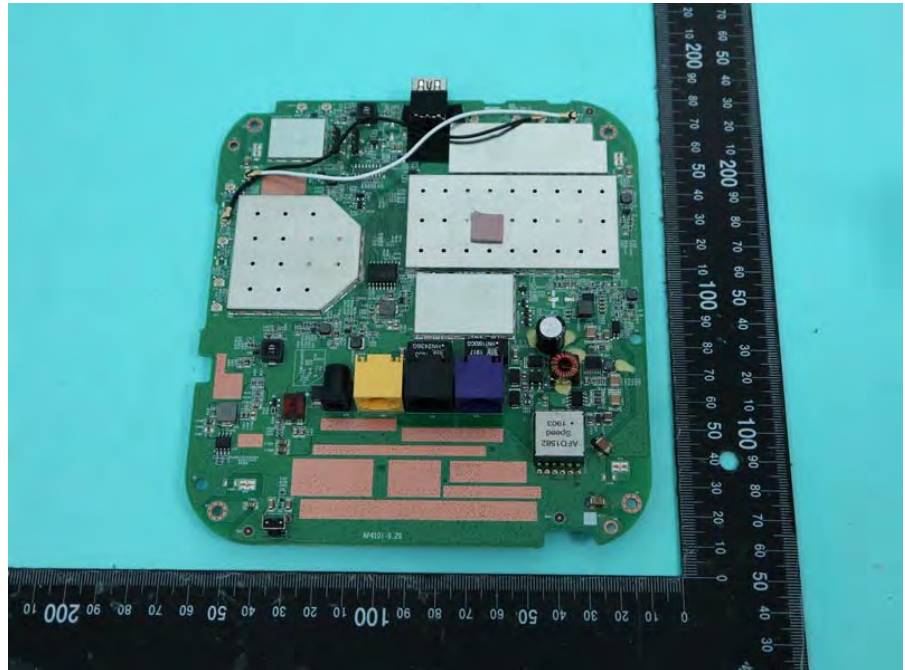

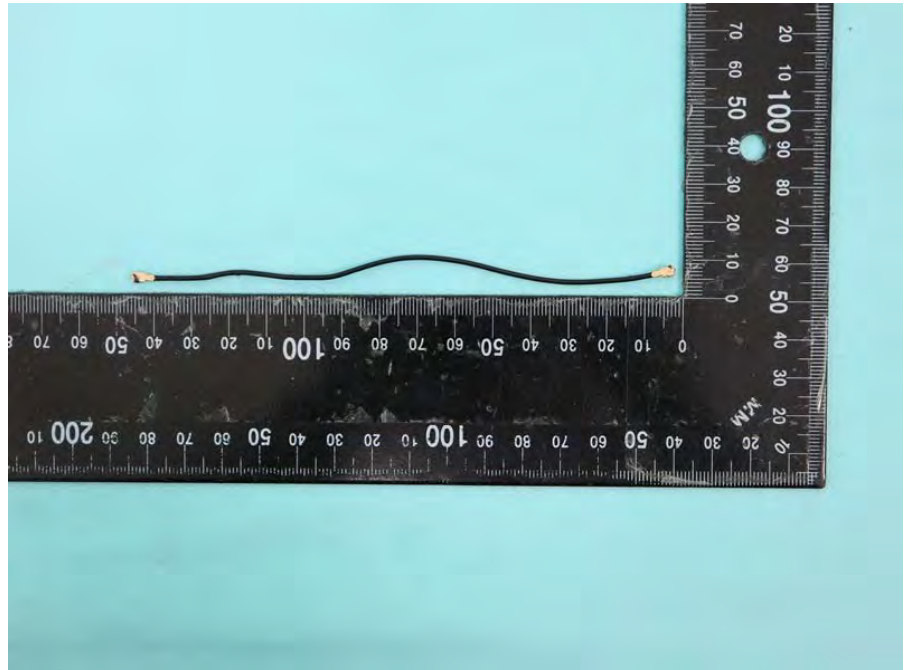

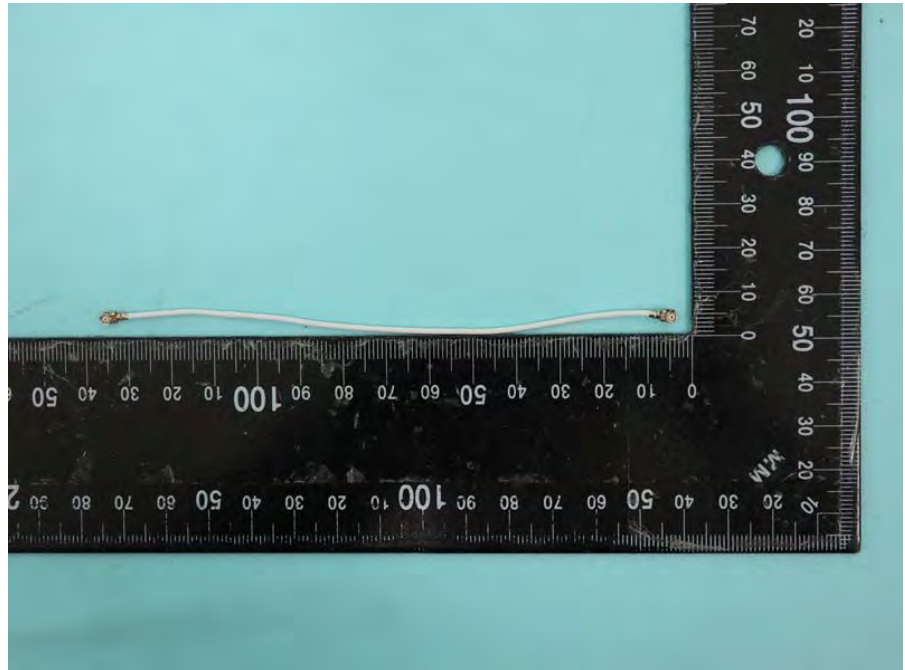

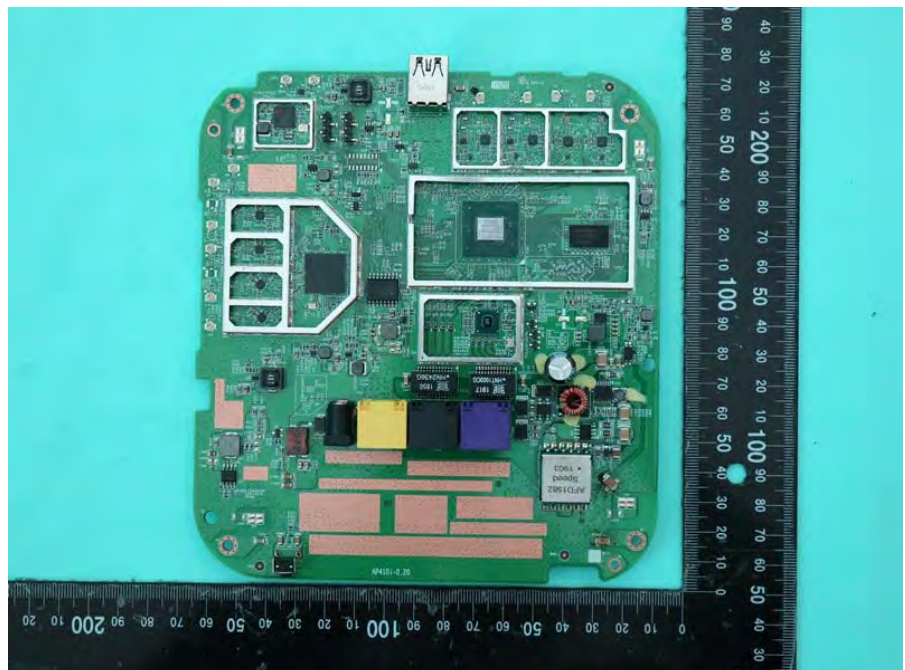

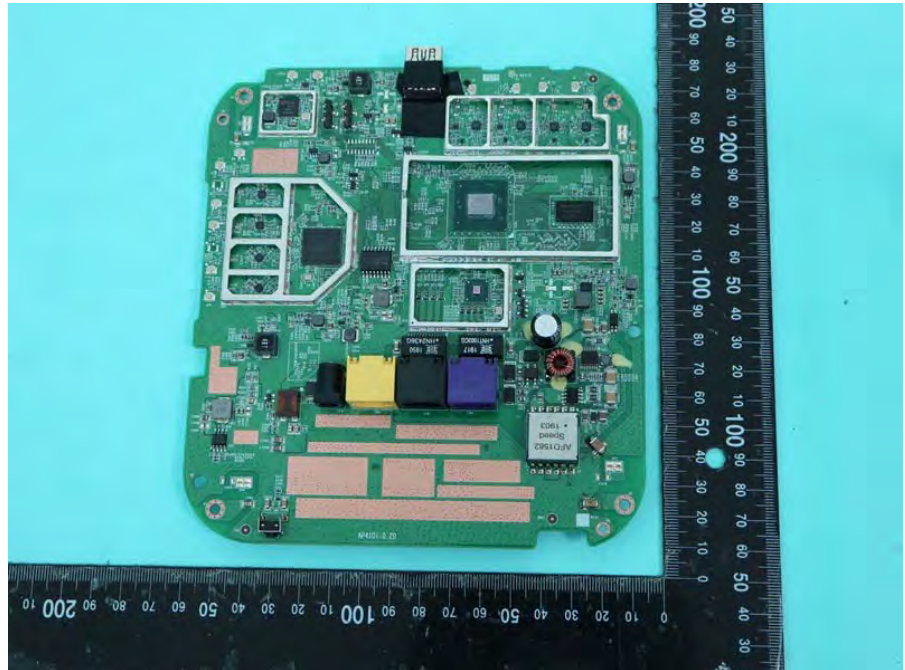

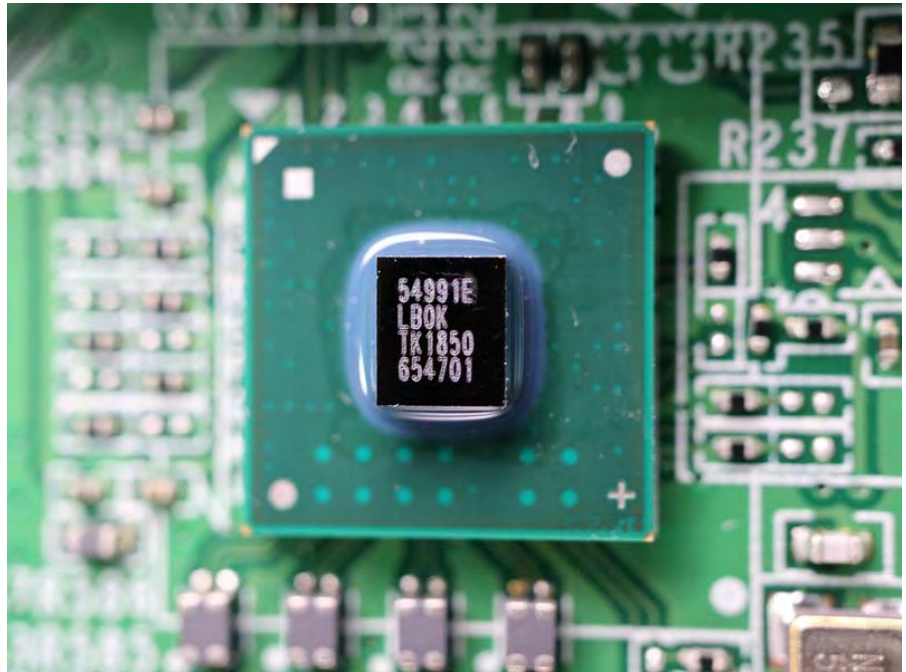

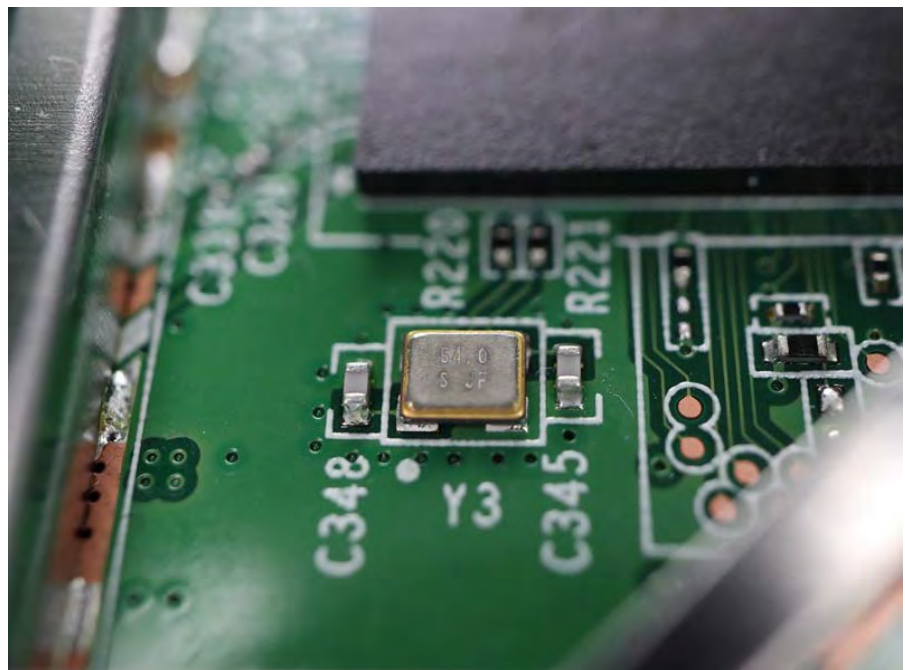

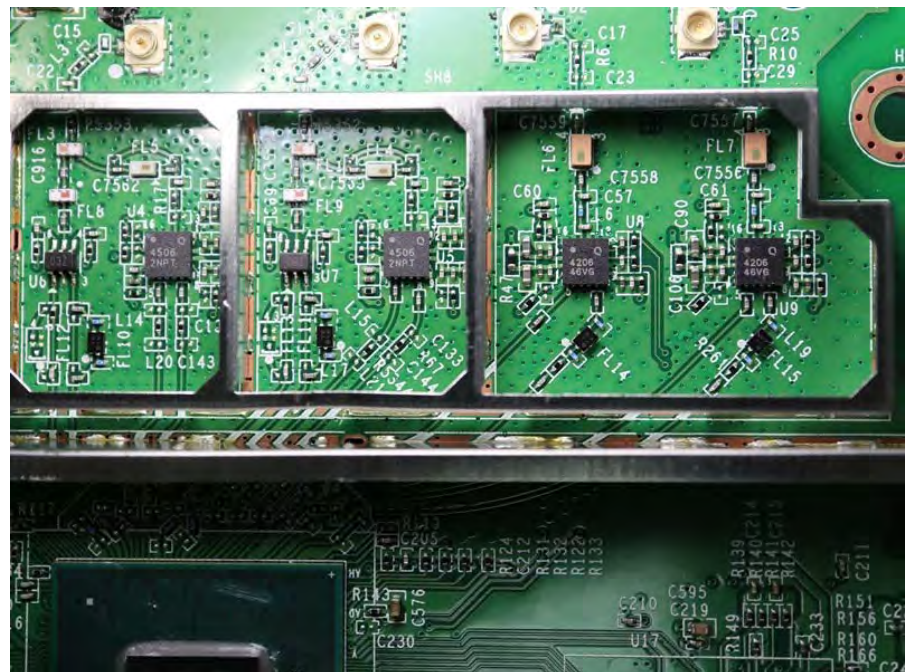

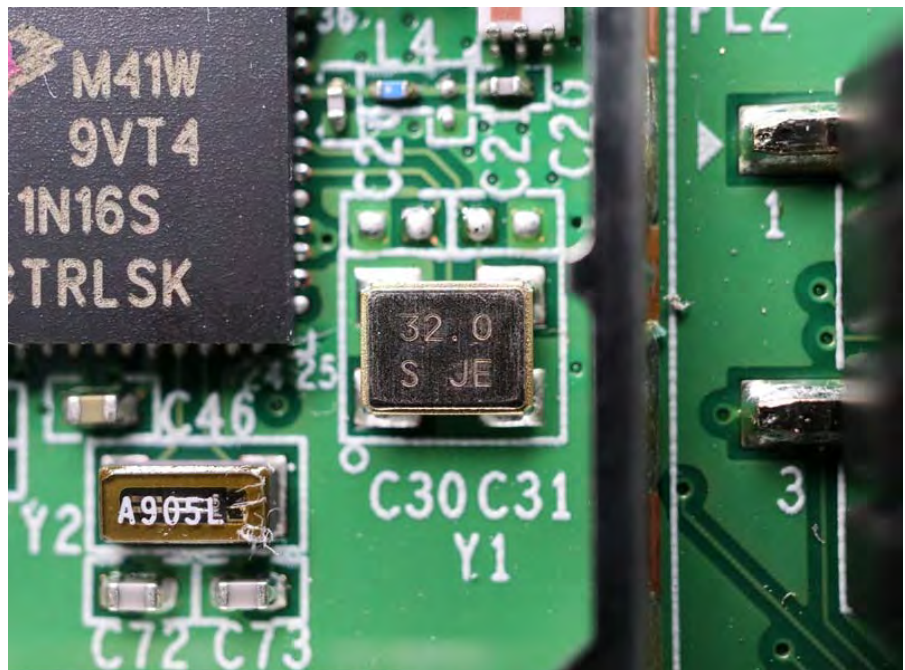

This image shows a close-up of the green printed circuit board (PCB) of the Sony WH-1000XM3 headphones. Two gold-plated connectors are visible, labeled J15 and J14. Various electronic components are labeled on the board, including D15, C7499, C7498, C7497, C7507, C7508, C7506, J13, C7503, C7575, and C7577. The board is populated with numerous small surface-mount components and solder points.
