Response For FCC Application
2005/4/19

RE: Benq
FCC ID: JVP57P31

1. Retested in fully chamber and updated report
2. DCS and GSM900 will be turned off in USA
3. Done
4. Yes, it was tested as PC peripheral
5. Our EIRP methodology is correct. We have retested this device in fully anechoic chamber and found the result is improved
6. A new testing photo with ruler in updated SAR report.

Sincerely Yours
