

Declaration letter

Dear Sir,

Model No.: BAA-018、BAA-030、BAA-032、BAA-035
BSC-004、BSC-005、BSC-006、BSC-007

All the models use the same WiFi chip(WB2S), and the power supply circuit of this WiFi chip is the same. The difference between the eight models lies in the different AC-DC circuits and the different number of I / O ports of WiFi chip.

Thank you!

Sincerely,

Name : Lianbo zheng

Company Name: Jiangsu Barep Smart Technology Co Ltd
