Subject: Application for Equipment Authorization

FCC ID: MCQ-CCIMX6B

Applicant: Digi International

FRN: 0010283307

To whom it may concern:

This is an application for Original Certification and a Grant of Equipment Authorization pursuant to Subpart C and E of Part 15 of FCC rules (CFR 47) in regards to international radiators for the following product:

Model: ConnectCore i.MX6 WiFi/Bluetooth

FCC ID: MCQ-CCIMX6B

IC: 1846A-CCIMX6B

The ConnectorCore6 is an ultra compact and highly integrated system on module (SOM) solution. With processor speed up to 1.2GHz single/dual/quad core, a WiFi IEEE 802.11 a/b/g/n and Bluetooth 4.0.

Please contact me if there are any questions regarding this application

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike Siegler", is written over a horizontal line.
