MDL:T3800 RCA /Giant

The image shows the back of a black electronic device. A silver-colored metal plate is mounted on the back, secured by several screws. The plate has a central rectangular area with a textured, metallic finish. On the left side of the plate, there are two circular ports, one above the other. The text on the plate is as follows:

FCC ID:K7GT3800 IC:2415B-T3800 4.5VDC
MDL:T3800 RCA /Giant
