RIVERSONG

Smart Watch

Before using this product, please read this manual carefully. Keep this manual for future reference.

1. Appearance

1-Display

2-Power Button

3-Heart Rate Sensor

Button Description:

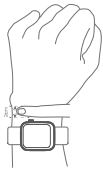

Long press: on and off machine

2. Charging

- Make sure the pin is using the wireless Charging Cable
- Put smart watch on the wireless charging pad
- Use a charger with the rated output of 5V/1A to charge your watch
- It takes 2-5 hours for the smartwatch to get fully charged.

3. Wearing the Watch

- In general, it's always better that to give your watch a break on your wrist after wearing it for a long time, especially after extended wear. We recommend removing your watch while you shower.

4. APP Downloading

Download the "Riversong Health" app from the Google Play or Apple Store. After installing the app, please follow the instructions to complete the setup.
