Equipment: FCC ID: GMLNSW-4DX EA98618 Model 8260  
Reference: Correspondence 16079 GRANT DATED 9/8/00

Andy:

We have just received a phone request from the Applicant from overseas.

They do not understand why the second belt-clip accessory with a new SAR Report is not listed on the Grant issued for the Permissive Change.

They would like the SAR values listed for the 2nd application as well as the first.

Can you send an Amended Grant?

Please advise.

Sincerely,

A handwritten signature in black ink, which appears to read 'Morton Flom', is written over a horizontal line. The signature is cursive and stylized.
