

Change of contents (Model : PN-320)

	Original	Changed
Antenna cosmetic	 A close-up photograph of the original antenna. It is a silver, cylindrical component with a threaded base. A stainless steel ruler is placed vertically next to it for scale, showing the antenna is approximately 25mm long. The ruler has markings for 10, 20, 30, 40, and 50 mm, with temperature scales in Celsius and Fahrenheit.	 A close-up photograph of the changed antenna. It is a silver, cylindrical component with a threaded base, similar to the original but with a slightly different design. A stainless steel ruler is placed vertically next to it for scale, showing the antenna is approximately 25mm long. The ruler has markings for 10, 20, 30, 40, and 50 mm, with temperature scales in Celsius and Fahrenheit.
Case have been changed	 A photograph of the original phone case. It is a silver flip phone with a black screen and a silver antenna. The brand name 'PANTECH' is visible on the screen. The phone is shown from the back, with the antenna extended.	 A photograph of the changed phone case. It is a silver flip phone with a black screen and a silver antenna. The brand name 'PANTECH' is visible on the screen, and 'TELUS' is visible below it. The phone is shown from the back, with the antenna extended.
