

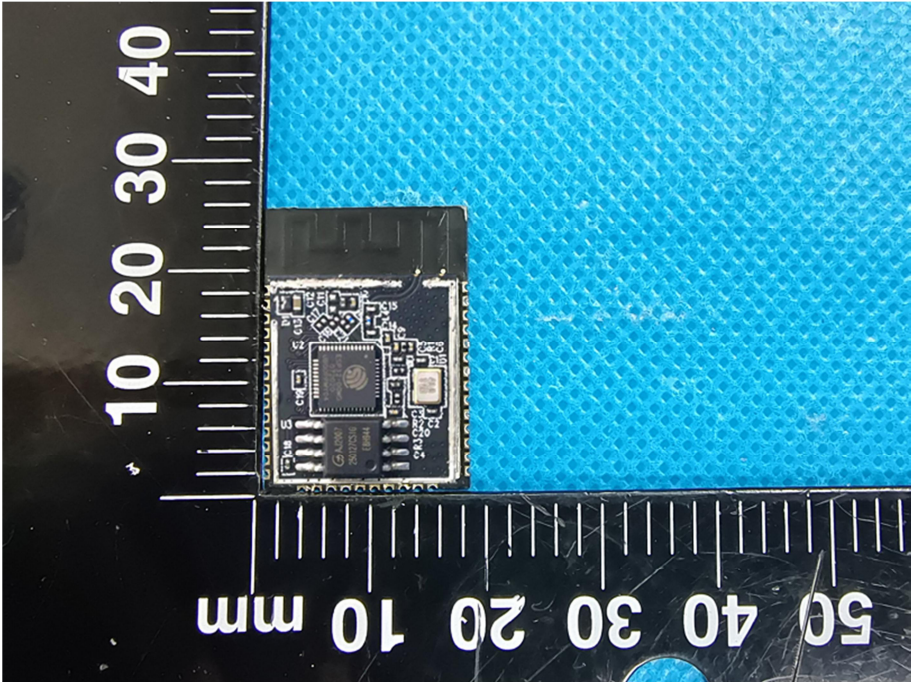

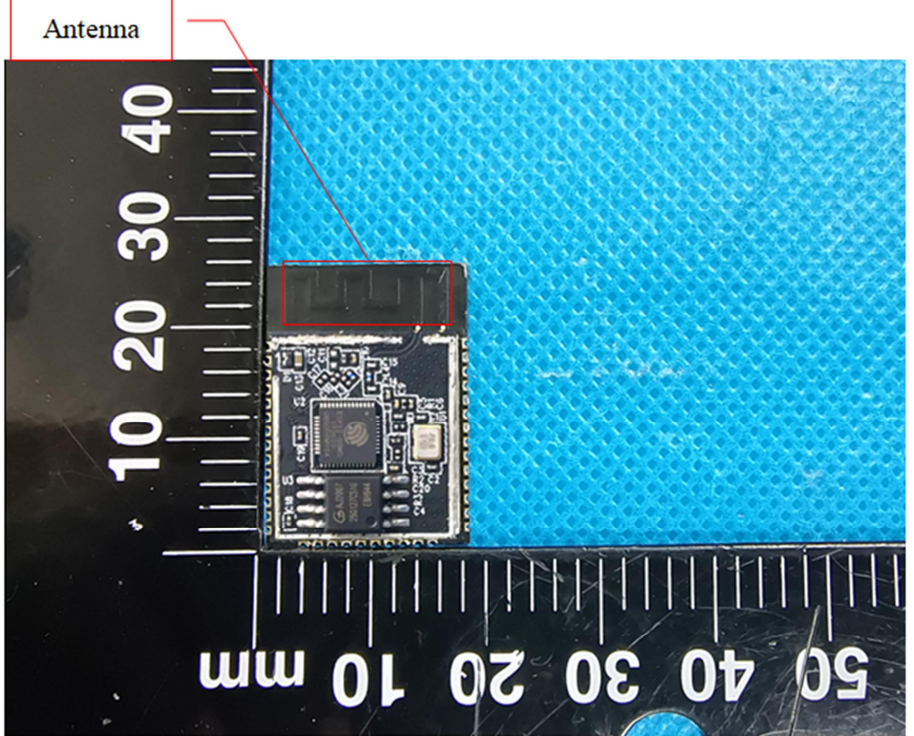

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View	 A photograph showing a small electronic component (likely a module) soldered onto a blue textured board. The component is positioned next to a black ruler with white markings. The ruler has markings for 10, 20, 30, and 40 mm on the left side and 50, 40, 30, 20, 10 mm on the right side. The component is a small, rectangular, black module with various components visible on its surface, including a large chip and several smaller components.
Antenna View	 A photograph showing the same electronic component as in the previous view, but with a red box highlighting a specific area on the top surface. A red line points from the label "Antenna" to this box. The component is positioned next to a black ruler with white markings. The ruler has markings for 10, 20, 30, and 40 mm on the left side and 50, 40, 30, 20, 10 mm on the right side. The component is a small, rectangular, black module with various components visible on its surface, including a large chip and several smaller components.
