Re: SGP Technologies S.A.  
FCC ID:2ACDKBP1

Confidentiality Request

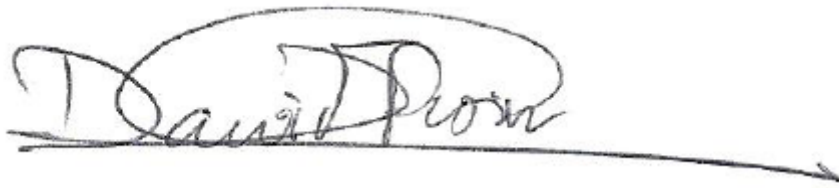

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. SGP Technologies S.A. requests that the following documents regarding this submission for FCC ID: 2ACDKBP1 be kept confidential:

<b>Exhibit Type</b>	<b>File Name</b>
Block Diagram	Block Diagram.pdf
Schematics	Schematics.pdf
Operational Description	Operational Description.pdf
Part list	BOM.pdf
Tune-Up-Procedure	Tune up procedure.pdf

Those documents contain detailed system and equipment description and related information about the product which SGP Technologies S.A. considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, SGP Technologies S.A. considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Signatory

A handwritten signature in dark ink, appearing to read "David Puron", with a long horizontal line extending to the right.

DAVID PURON  
VP Engineering
