Attention: Application Examiner

Applicant:

Liberty Defense Technologies, Inc.
187 Ballardvale St, Suite 110
Wilmington, MA 01887

To Whom It May Concern:

Permanent Confidentiality

Request is hereby submitted by Liberty Defense Technologies, Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics**
- **Detailed Block Diagrams**
- **Detailed Operational/Functional Description**
- **Internal Photos**

Rationale for request for confidentiality:

Liberty Defense Technologies, Inc. has invested considerable time and materials in research and development to produce the referenced product. [*Permanent confidentiality*: Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading-edge technology developed by us.

This Equipment is only sold to institutions (government, bank, etc.) and not to the public. An NDA restricting the disclosure of propriety information, including internal photos, must be signed and in place before any sale by Liberty Defense Technologies, Inc. or an authorized distributor, and is only accessible/Service by Liberty Defense Technologies, Inc. trained/approved maintenance personnel.

Sincerely,

Val Safran

Director of Hardware Engineering
