

February 6, 2001

Federal Communications Commission  
7435 Oakland Mills Road  
Columbia MD 21046

To Whom It May Concern,

On behalf of WaveRider Communications Incorporated, I request that the following information regarding the WRM-2000 (used in the NCL-1170 product) submission be withheld from public inspection, in accordance with CRF 0.457 and 0.459:

- Circuit Schematics
- Bill of Materials

The reasons which confidentiality has been requested are as follows:

- This product serves a unique and competitive niche in the wireless market.
- This information is considered to be proprietary in nature.
- This information is considered to be commercial and competitive sensitive.

Sincerely,

A handwritten signature in black ink, reading "S. VandenBrink". The signature is written in a cursive, flowing style.

Stephen VandenBrink
