This document contains 4 photographs

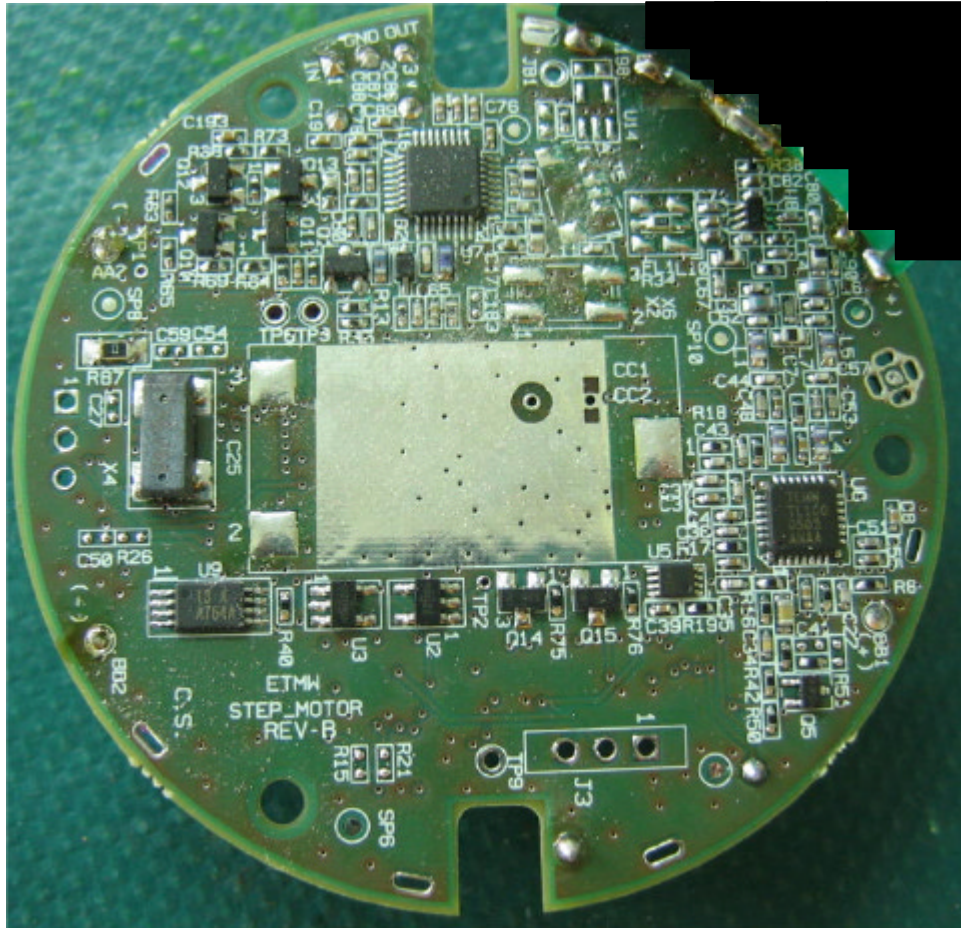

Photograph No.1
ETMW-SM water reader internal view (antenna not shown)

Photograph No.2
ETMW-SM water reader PCB top view

Photograph No.3
ETMW-SM water reader PCB

The image shows a green, circular printed circuit board (PCB) for a step motor. The board is populated with various electronic components. Key components include a central microcontroller (M5594V04705), several integrated circuits (ICs), resistors, capacitors, and connectors. A barcode label with the number 997037700047 is visible. The board is held by a purple clamp.
