

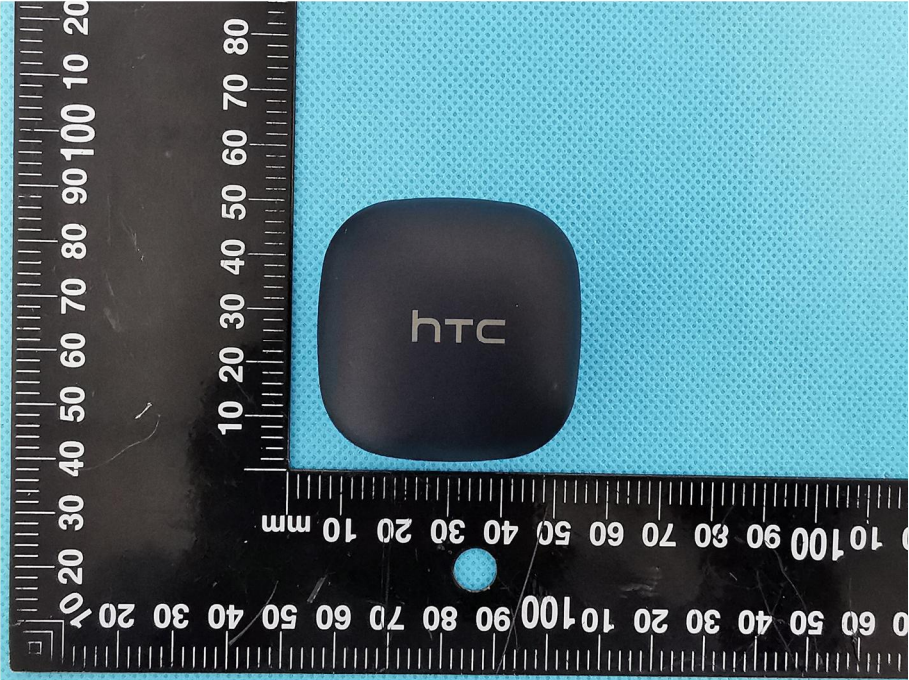

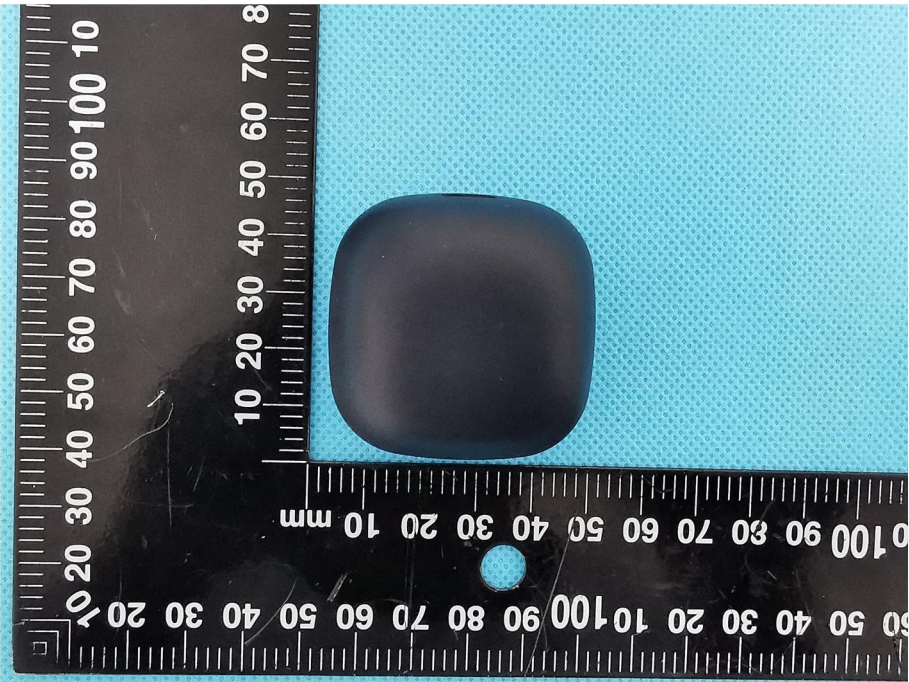

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

Charging Box

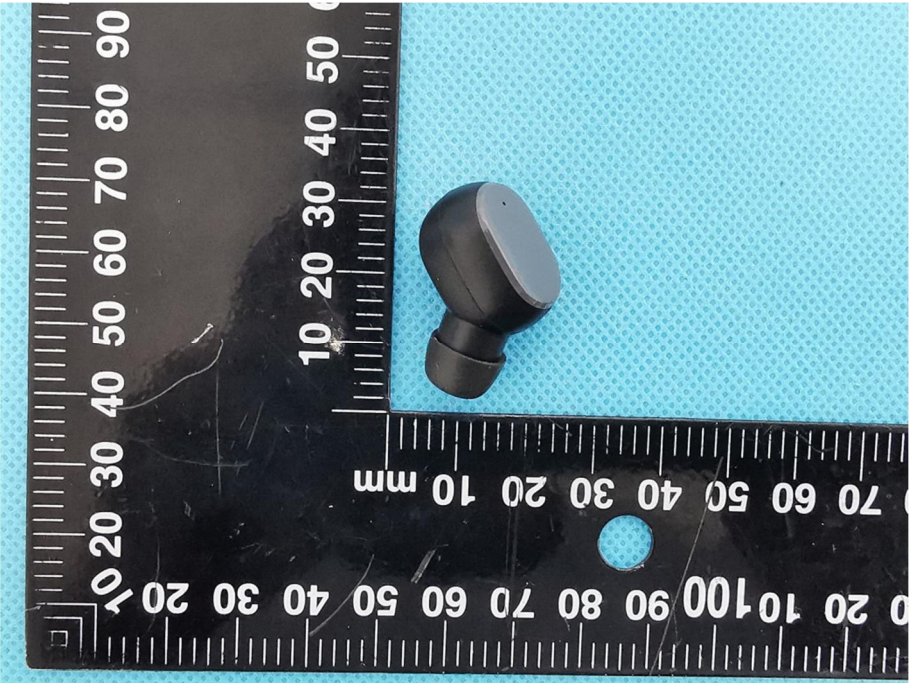

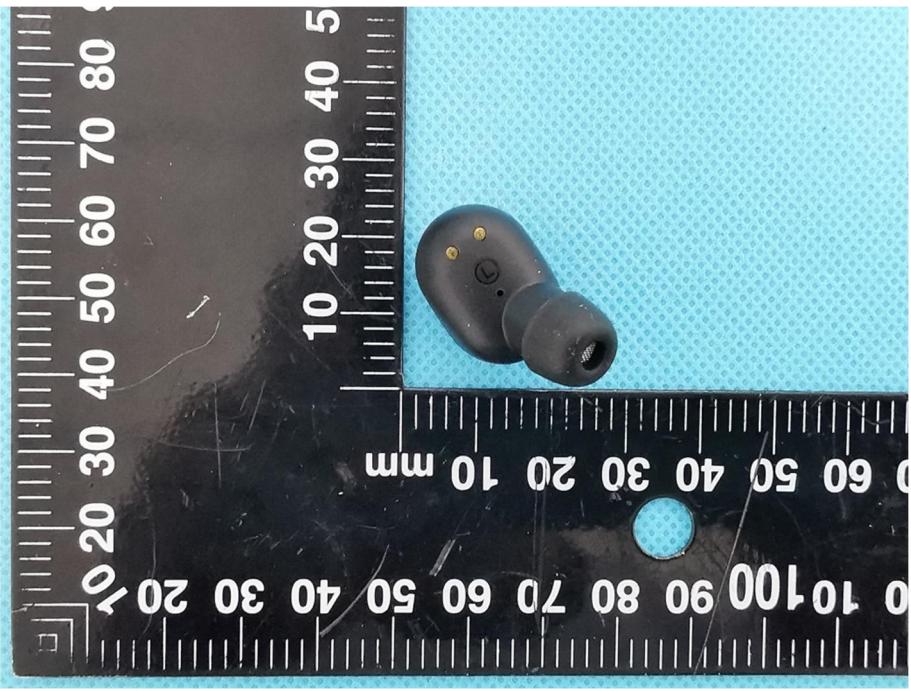

EUT View 1	 A photograph showing the back of a black, rounded rectangular charging box. The box has the 'htc' logo in silver. It is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in centimeters and millimeters. The box is positioned at approximately 40mm on the horizontal axis and 40mm on the vertical axis.
EUT View 2	 A photograph showing the front of the same black, rounded rectangular charging box. It is placed on the same blue textured surface next to the same black L-shaped ruler. The box is positioned at approximately 40mm on the horizontal axis and 40mm on the vertical axis.

EUT View 3	 A black, rounded rectangular device with the 'htc' logo printed on its top surface. The device is positioned on a blue textured background. Below the device is a black ruler with white markings, showing measurements in millimeters and centimeters. The ruler is oriented horizontally, with the device's width spanning approximately from the 100 mm mark to the 150 mm mark.
EUT View 4	 A black, rounded rectangular device with the 'htc' logo printed on its top surface. The device is positioned on a blue textured background. Below the device is a black ruler with white markings, showing measurements in millimeters and centimeters. The ruler is oriented horizontally, with the device's width spanning approximately from the 100 mm mark to the 150 mm mark.

EUT View 5	 A black, rounded rectangular device with the 'htc' logo printed on its top surface. The device is positioned on a blue textured background. Below the device is a black ruler with white markings, showing measurements in millimeters and centimeters. The ruler is oriented horizontally, with the device's width spanning approximately from the 40 mm mark to the 100 mm mark.
EUT View 6	 A black, rounded rectangular device with the 'htc' logo printed on its top surface. The device is positioned on a blue textured background. Below the device is a black ruler with white markings, showing measurements in millimeters and centimeters. The ruler is oriented horizontally, with the device's width spanning approximately from the 40 mm mark to the 100 mm mark.
