Timco Engineering, Inc.
849 N.W. State Road 45
PO Box 370
Newberry, Florida 32669
United States of America

To whom it may concern,

Subject: Justification of Label Placement – FCC ID: CASTPDC0A

Tait Limited certifies that the label for the TPDC0A handheld portable transceiver must be placed on the back of the radio. It is shipped to the customer with the battery separated so it is clearly visible to the customer before use, and will be seen every time the battery is removed.

Yours sincerely,

A handwritten signature in black ink, appearing to read "A. Jackson".

David Jackson
Test Laboratory Manager
