Re: Supersede request for FCC ID: JNZYR0084; Granted on 06/22/2021

To Whom It May Concern:

We regret to inform you that due to the antenna type of the FCC test report is incorrect, we have submitted the wrong **Theory of Operation, Test Report** exhibit to the filing.

To prevent misunderstanding to the public, we would like to request the FCC to supersede the exhibit described as **Theory of Operation_ rev, Test Report_ rev.**

If you have any questions, feel free to contact us. Thank you.

Sincerely yours,

Paul Zahra
