Solder Board-Component View 11	 A photograph of a small red printed circuit board (PCB) component with various electronic components, including a microcontroller and a USB connector. A circular white component is attached to the top of the PCB. The assembly is placed on a blue textured surface next to a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions of approximately 100mm by 100mm.
Solder Board-Component View 12	 A photograph of the same red PCB component as in View 11, but with a different circular component attached to the top. This component is a flexible, coiled ribbon cable with a black center and copper-colored outer layers. The assembly is placed on a blue textured surface next to a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions of approximately 100mm by 100mm.
