RE: FCC ID: O6QPULS68_ATCB001658

Attention: Kathy Grzovic

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1. Please note that the device appears to be sufficiently large to contain the 2-condition statement. Please explain how this device meets the exclusions of 15.19(a)(5).
2. Please note that while I can make assumptions about where the antenna and/or antenna leads are in the schematics, they are in German. Please clearly identify the antenna in the schematics.

Dennis Ward

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
