Solder Board-Component View 5	 A photograph showing the underside of a small electronic component board. The board is populated with four white cylindrical components, likely capacitors, and various surface-mount components. It is placed on a blue textured surface next to a black L-shaped ruler with white millimeter markings. The ruler indicates the component is approximately 40mm wide and 25mm high.
Solder Board-Component View 6	 A photograph showing the top side of the same electronic component board. It features four white cylindrical components and two circular ports. The board is placed on a blue textured surface next to a black L-shaped ruler with white millimeter markings. The ruler indicates the component is approximately 40mm wide and 25mm high.
