RE: Certification Application for FCC ID: **OIIRM1900-1**

Dear Greg,

In fulfillment of the requirements to obtain a CERTIFICATION grant of equipment authorization for equipment operating under 47 CFR Part 24, Subpart E—Broadband PCS, Omnipoint Technologies, Inc. (OTI) respectfully submits for your consideration the attached filing for FCC ID: **OIIRM1900-1**. Included in this electronic submittal are Form 731, Application for Equipment Authorization; Form 159, Remittance Advice and payment in the amount of \$610.00; and the documentation and technical information required by 47 CFR Part 2, Subpart J—Equipment Authorization Procedures, Section 2.1033 *Application for Certification*.

Pursuant to Section 0.459 of the Commission's Rules, Omnipoint Technologies, Inc. respectfully **requests confidentiality** for the following exhibits, and that they be withheld from public inspection at the conclusion of the authorization process:

Exhibit 4	Tune-Up Procedure
Exhibit 5	Schematic Diagrams

These exhibits contain material considered to be trade secrets of OTI and, as considerable effort has been expended in the development of this product, it is imperative that our competitors do not receive an unfair advantage in the marketplace at the expense of OTI.

Should you require any further or additional information to process this application, please do not hesitate to contact me directly. I can be reached by any of the following means:
