

Test Positions

Front Side
(Separation distance of 10mm)

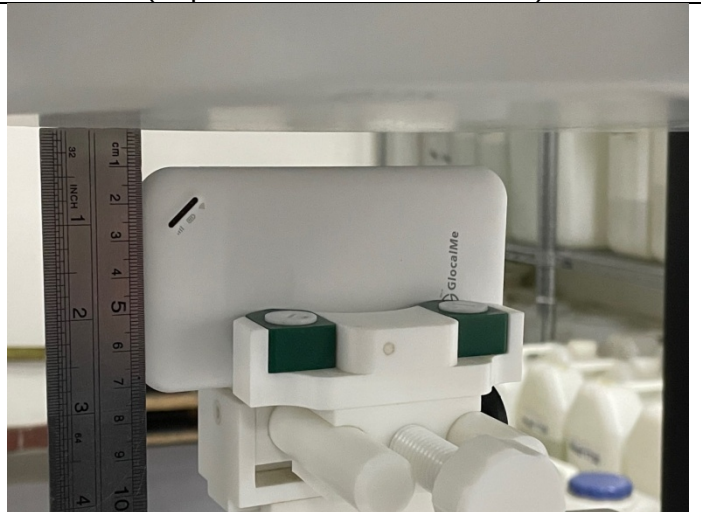

Back Side
(Separation distance of 10mm)

Left Side
(Separation distance of 10mm)

Right Side
(Separation distance of 10mm)

Top Side (Separation distance of 10mm)	Bottom Side (Separation distance of 10mm)
 A photograph showing the top side of a white mechanical assembly. A vertical ruler is placed to the left of the assembly for scale. The ruler has markings in centimeters (0 to 10) and inches (0 to 4). The assembly features a green rectangular component and a white cylindrical component. The background is a blurred laboratory setting.	 A photograph showing the bottom side of the same white mechanical assembly. A vertical ruler is placed to the left of the assembly for scale, with markings in centimeters (0 to 10) and inches (0 to 4). The assembly features a green rectangular component and a white cylindrical component. The background is a blurred laboratory setting.
