C2PC declaration letter

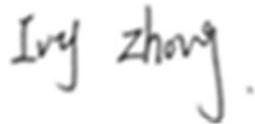

FCC ID: XUJX431V1V40

In order to ensure the safety of procurement and supply, We Launch considers adding the a shell to the original prototype(grant date :11/21/2023)
The difference is only the addition of the shell, nothing else has changed

The model X-431 PRO5 differs from the X-431 V+ V4.0 only in the shape of the case.

Should you have any question or comment regarding this matter, please have my best attention.

Sincerely yours,
