

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the external view of a small, black, rectangular electronic device (EUT) with a circular white button on the left side. The device is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler has markings in millimeters and centimeters.
EUT Housing and Board View 2	 A photograph showing the internal view of the EUT housing, with the black cover removed and placed to the right. The internal green printed circuit board (PCB) is visible, showing various electronic components, including a battery, capacitors, and integrated circuits. The device is placed on a blue textured surface next to a black L-shaped ruler for scale.

Board-Component
View 1

Solder Board-Component View 2	 A photograph showing a circular solder component with a dark, textured surface and a small central hole. A copper-colored ring is attached to the right side of the component. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10).
Solder Board-Component View 3	 A photograph showing a green printed circuit board (PCB) component with various electronic components and solder joints. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10).
