The image shows a small, black, rectangular electronic component, possibly a microcontroller or sensor module, resting on a blue textured surface. The component has several gold-colored pins and a small white label with text. A ruler is visible along the bottom edge of the image, showing measurements in millimeters.

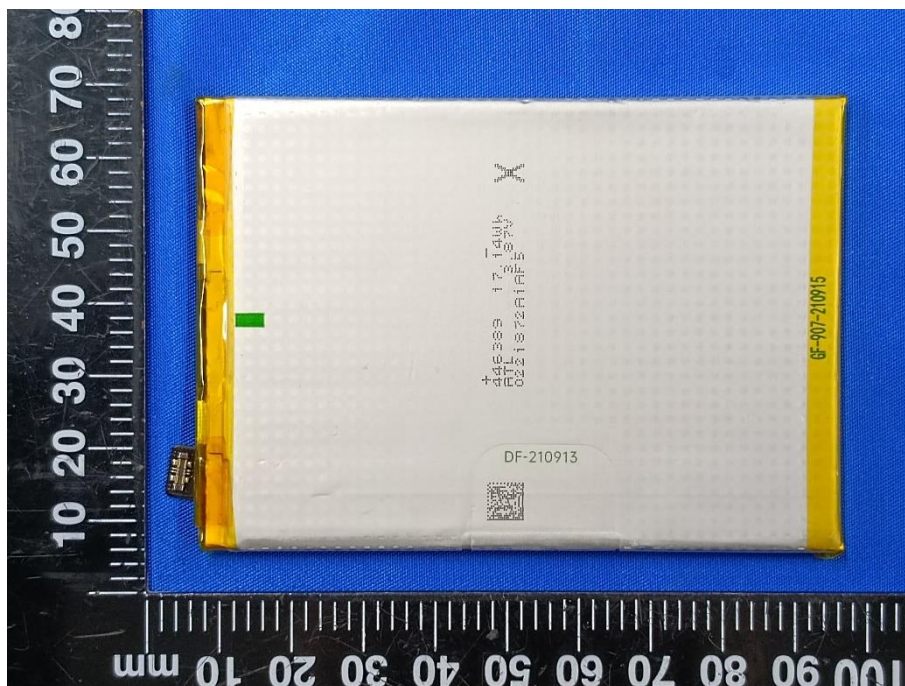

The component features a small white label with the following text:

- NR18200994
- 34V-0
- E311772
- E102

The component is positioned horizontally, and the ruler indicates its length is approximately 100 mm.
