

MEMS Vehicle Mounted Transceiver

Michelin *eTire*[™]

MEMS[™]

Model: RV2.01

FCC ID: FI5-RV201

IC: 5056A-RV201

This device complies with part 15 of the FCC Rules and with RSS-210 of Industry Canada. Operation is subject to the following 2 conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operations.
