

Canary R4000 NFC antenna specification:

1. Company: Augury
2. Product name: Endpoint canary R4000
3. RF module/chip: NFC
4. Antenna description

Antenna type	PCB
Antenna manufacturer	N/A
Antenna datasheet	N/A
Frequency range	13.56MHz
Modulation	ASK
Antenna gain max (peak)	0dBi
Cable loss	Integrated PCB antenna(No cable)
Connector type	N/A

5. Antenna photo - example

6. NFC antenna layout

REGULATORY TESTING FROM START TO CERTIFICATE
