

April 15, 1999

Federal Communications Commission
Authorization & Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

We hereby certify that the transceiver FCC ID: GMLNSB-5NX complies with ANSI J STD-007 PCS 1900 Air Interface Standard.

Compliance was determined by testing appropriate parameters according to ANSI J STD-007 standard. Field testing has been performed against several different systems in the USA to verify the interoperability with different systems.

Sincerely,

NOKIA MOBILE PHONES

Kathleen Roller
Product Program Manager
