Gentlemen:

The Application Form 159 with filing fees attached, for Certification of Intentional Radiators operated in the frequency range of 2400-2483.5 MHz, has been sent to the Pittsburg address. The 731 form and application have been electronically submitted and any attachments will be up loaded to the FCC web site. It is requested that the information contained in the block diagrams, operational description and schematics of the application be held confidential per Section 0.459. A statement of confidentiality will be attached with the schematics at the time of submittal.

The special fee for request of confidentiality will be submitted with the application.

Should you require any further information, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

Scot Rogers
