DEKRA Testing and Certification, S.A.U.
Campanillas – Malaga
Spain

Subject: Authority to use Confidential Exhibits of AR7552

We, Sierra Wireless, Inc., hereby authorize DEKRA Testing and Certification, S.A.U. to use the Operational Description, Schematics, Block Diagram and Tune-up Procedure, (hereinafter referred to as “**Confidential Exhibits**”) filed with Federal Communications Commission (FCC) under FCC ID: N7NAR7552 and Industry Canada under IC Certification number 2417C-AR7552 for the sole purpose of the FCC/IC filings of the Panasonic products referenced in the table below, provided, however, DEKRA Testing and Certification, S.A.U. is not authorized to disclose any of the **Confidential Exhibits**.

MODEL	FCC ID	IC Certification Number
VP4R-A	ACJ-VP4RC	216A-VP4RAC
CA-180-CTPL-HS	ACJ-CA180CTPLHSC	216A-CA180CTPLHC

This authorization may be revoked at any time by Sierra Wireless, Inc. immediately upon written notice provided to DEKRA Testing and Certification, S.A.U.

Yours sincerely,

A blue ink signature of Ying Wang, consisting of stylized, flowing cursive letters.
