

The use of a speaker while operating a motor cehicle may be regulated by local laws. Using a headset while operating a motor cehicle motorcycle,watercraft or bicycle may be dangerous,and is illegal in some jurisdictiongs, just as use of this headset with both ears covered while driv—ing is not permitted in certain jurisdictions. Check with your local authorities.

BUILT-IN BATTERY CARE: Please observe the following if the product contains a battery ·Your product is powered by a rechargeable battery. The full performance of a new battery is achieved only after two or three complete charge and discharge cycles.

The battery can be charged and discharged hundreds of times, but will eventually wear out. Do not leave a fully charged battery connected to a charger, since overcharging may shorten its lifetime. If left unused, a fully charged battery will lose its charge over time.

Leaving the product in hot or cold places will reduce the capacity and lifetime of the battery. Always try to keep the battery between 15°Cand 25°C (59°Fand 77°F). A product with a hot or cold battery may not work temporarily, even when the battery is fully charged.

- ·"Caution"-the battery used in this product may present a risk of fire or chemical burn if
- mistreated. Batteries may explode if damaged.

 Only recharge your battery with the provided approved chargers designated for this product.

 Olspose of batteries according to local regulations. Please recycle when possible.Do not dispose as household waste or in a fire as they may explode.
