

FEDERAL COMMUNICATIONS COMMISSION

Authorization and Evaluation Division
7435 Oakland Mills Rd
Columbia MD 21046-1609
USA

Subject: Variation Attestation

To whom it may concern,

Initial Model:

FCC ID: RI7LM960

Grant Date: March 07th, 2019

Variant Model:

FCC ID: RI7LM960A9P

For cost saving, LM960A9-P is simply depopulating the components which are not necessary to support bands different from CBRS bands and CBRS CA combos. Since the entire RF path is not modified at all, the RF conducted tests remain valid from the Parent module LM960 and are used to show compliance, as necessary. The EIRP results, calculated from RF conducted tests, have been adjusted only by the antenna approved for the new device.

Applicant's company name : Telit Communications S.p.A

Applicant's company address : Viale Stazione di Prosecco 5/B, 34010 Trieste - ITALY

Sincerely yours,

DocuSigned by:

A blue DocuSign signature icon, which is a stylized 'S' shape, followed by the text "F68BE52BD60F49E..." in a small, blue, sans-serif font.
