A photograph of a green printed circuit board (PCB) with various electronic components. The board is rectangular with a USB connector on the left side. A small black chip is visible near the center. A circular component, possibly a capacitor or inductor, is located on the right side. The board is placed next to a ruler for scale. The ruler shows measurements in millimeters and centimeters. The PCB has several holes and traces. The text "A 100 100 100 100" is printed on the board. The text "100 100 100 100" is printed on the board. The text "100 100 100 100" is printed on the board. The text "100 100 100 100" is printed on the board.
