Letter of Declaration on Indoor Access Point Operation

Federal Communications Commission 7435 Oakland Mills Road Columbia, MD 21046

FCC ID: UDX-600104010

To Whom It May Concern:

We, Cisco Systems, Inc., attest that this device under FCC ID UDX-600104010 complies with device protocol requirements and operational restrictions:

- 1. Protocol attestation statement:
 - a. An IEEE 11ax device's Transmit Power Envelope element has information fields for power limits for connecting client/subordinate devices. The TPE information is contained in this device signals and used by connecting a client/subordinate to ensure that it knows the regulatory Tx powers at which it is allowed to transmit. There is a regulatory information field in this device's beacon and probe response frames which details this device's type when the client/subordinate associates to this device.
- 2. Statement acknowledging device restrictions:
 - a. This device is supplied power from a wired connection, has an integrated antenna, is not battery-powered, and does not have a weatherized enclosure.
 - b. This device's operation will not be allowed on oil platforms, cars, trains, boats, and aircraft, except that operation of this device is permitted in large aircraft while flying above 10,000 feet.
 - c. This device is prohibited for control of or communications with unmanned aircraft systems, including drones.
