**Download EDIFIER CONNECT APP from the APP store/Google Play Store
Please visit EDIFIER website for the full version user manual: www.edifier.com**

**For user safety and compliances, also for the optimum performance,
please carefully read safety instructions and use the product in accordance with them.**

■ Operating instructions

● Power on/off / call / music playback / mode selection

Mode switch: Press the power button to switch amongst the Ambient sound mode/Noise cancellation mode/Standard mode;

Game mode: After Bluetooth pairing is successful, you can enable or disable game mode through the EDIFIER CONNECT APP.

● Bluetooth connection

- Press and hold the "Ⓟ" button for 3 seconds to enter Bluetooth pairing, and the red and green lights will flash alternately;
- Set mobile phone to search for and connect to "EDIFIER W280NB", after pairing is successful, the green light will flash twice per 5 seconds.

Note:

The headset will auto-enter Bluetooth pairing state(the red and green lights flashing alternately) when powered on for the first time, you can directly set mobile phone to search for and connect to "EDIFIER W280NB". After pairing is successful, the headset will auto-connect to the device connected last time when powered on again.

Note: Images are for illustrative purposes only and may differ from the actual product.

- **Connect to two devices**

- Firstly pair mobile phone A with the headset, after pairing is successful, the headset will enter pairing mode again through the EDIFIER CONNECT APP;
- Set mobile phone B to search for and connect to the headset;
- Manually operate the mobile phone A to connect to the headset to complete connecting to two devices, after pairing is successful, the green light will flash twice per 5 seconds.

- **Clear pairing records**

- When the headset is powered on and not connected with any Bluetooth devices, simultaneously press and hold the "+" "-" buttons for 5 seconds to clear pairing records, and the green light will flash six times rapidly when successful.

■ Maintenance

- If it is not used for long periods of time, please charge the product with lithium battery every three months.
- Keep the product away from humid places to avoid affecting internal circuit.
- Do not put the product in places exposed to sun or with high temperature. High temperature will shorten service life of electronic components, damage battery and make plastic components deformed.
- Do not put the product in cold places to avoid damaging internal circuit board.
- Do not dismantle the product. Non-professional personnel may damage the product.
- Do not drop, strongly vibrate, strike the product with hard object to avoid damaging internal circuit.
- Do not use drastic chemicals or cleaner to clean the product.
- Do not use sharp objects to scratch product surface to avoid damaging shell and affecting facade.
