CHANGE IN IDENTIFICATION OF EQUIPMENT

We, at Telrad Networks Ltd. confirm that we use the LTE Cat 6 Single-Mode Outdoor CPE ("device") under FCC ID: MXF-WLTMS11043 the same as it is shipped out from the original manufacturer's Gemtek Technology Co., Ltd. facilities.

No changes have been made to the device and its original tests data, etc., submitted for the original application remain applicable to Telrad Networks Ltd.

The device will be known as the WLTMS-110-4243 and Telrad Networks Ltd. will identify their device with FCC ID: ARA-CPE9KPRO3XHG

A handwritten signature in blue ink, appearing to read "Klara Milman".
