

Declaration letter

SECO S.p.A

Via Achille Grandi 20, 52100 AREZZO Italy

To whom it may concerns,

We understand that Intel Corporation ("Intel") is offering RF regulatory support base on its modular compliance results for the countries where modular compliance result will not full fill their applicable regulation or requirements and there are extended requirements for host level. It is SECO S.p.A's responsibility to make sure its product is compliant with country regulations prior shipping to certain countries listed on antenna filing authorization letter.

SECO S.p.A agrees that it's SECO S.p.A's responsibility to obtain necessary system level approvals for SECO S.p.A's product which leverages Intel's approval certificates. SECO S.p.A understands that any misuse of Intel modular certificate without necessary system level approval processes completed ahead will result in legal penalty by violating country regulation. SECO S.p.A agrees that Intel do not have responsibility to this kind of violation when it occurs.
