From: "Brian Dettling" <briand@wll.com>
To: "ATCB- Tim Johnson" <tjohnson@AmericanTCB.com>

Hi Tim,

I have uploaded two new documents to this application:

4000LR Application Form - 731 rev 2.pdf

The frequency range has been corrected.

4000LR Test Report - 2.4GHz B Mode revised.pdf

The data tables have been corrected. Table 3 in the 802.11b report shows the proper power measurements

Thanks,

Brian
